The Sound of Music

Sung By Stephen Moyer/Ariane Rinehart/Michael Nigro/Ella Watts-Gorman | Written by Richard Rod/Oscar Hammerstein II

The hills are alive
With¹ the sound of music
With songs they have sung
For a thousand years
The hills fill my heart
With the sound of music
My heart wants to sing every song it hears
Every song it hears
My heart wants to beat like the wings of the
birds
That rise from the lake to the trees to the
trees
My heart wants to sigh² like a chime³ that
flies

From a church on a breeze⁴
To laugh like a brook⁵ when it trips⁶ and
falls
Over stones in it's way in it's way
To sing through the nights
Like a lark⁷ who is learning to prey⁸
I go to the hills
When my heart is lonely
I know I will hear
What I've heard before
My heart will be blessed
With⁹ the sound of music
And I'll sing once more

Yesterday Once More

Sung by Carpenters | Written by John Bettis/Richard Carpenter

CARPENTERS

When I was young
I'd listen to the radio
Waiting for my favorite songs
When they played I'd sing along
It made me smile
Those were such happy times
And not so long ago
How I wondered where they'd gone
But they're back again
Just like a long lost friend
All the songs I loved so well
Every shalalala
Every wo wo oh
Still shines
Every shing-a-ling-a-ling
That they're starting to sing's
So fine
When they get to the part
Where he's breaking her heart
It can really make me cry
Just like before
It's yesterday once more
Shoobidoo wangdang
Shoobidoo wangdang
Looking back on¹ how it was
In years gone by
And the good times that I had
Makes today seem rather² sad
So much has changed

It was songs of love that
I would sing to them
And I'd memorize³ each word
Those old melodies⁴
Still sound so good to me
As they melt the years away⁵
Every shalalala
Every wo wo oh
Still shines
Every shing-a-ling-a-ling
That they're starting to sing's
So fine
All my best memories
Come back clearly to me
Some can even make me cry
Just like before
It's yesterday once more
Shoobidoo wangdang
Every shalalala
Every wo wo oh
Still shines
Every shing-a-ling-a-ling
That they're starting to sing's

Beauty and the Beast¹

Sung by Angela Lansbury

Tale as old as time
 True as it can be
 Barely even friends
 Then somebody bends²
 Unexpectedly³
 Just a little change
 Small to say the least
 Both a little scared
 Neither one prepared
 Beauty and the beast
 Ever just the same
 Ever a surprise
 Ever as before
 Ever just as sure
 As the sun will rise
 Tale as old as time
 Tune⁴ as old as song
 Bittersweet⁵ and strange
 Finding you can change
 Learning you were wrong
 Certain as the sun
 Rising in the east
 Tale as old as time
 Song as old as rhyme⁶

Can You Feel the Love Tonight

Sung by Elton John | Written by Tim Rice/Elton John

There's a calm surrender¹ to the rush of day
 When the heat of a rolling wind² can be turned away³
 An enchanted⁴ moment, and it sees me through
 It's enough for this restless warrior⁵ just to be with you
 And can you feel the love tonight
 It is where we are
 It's enough for this wide-eyed⁶ wanderer⁷
 That we got this far
 And can you feel the love tonight
 How it's laid to rest⁸
 It's enough to make kings and vagabonds⁹
 Believe the very best¹⁰
 There's a time for everyone if they only

learn
 That the twisting kaleidoscope¹¹ moves us all in turn
 There's a rhyme¹² and reason¹³ to the wild outdoors
 When the heart of this star-crossed¹⁴ voyager beats in time with yours
 And can you feel the love tonight
 It is where we are
 It's enough for this wide-eyed wanderer
 That we got this far
 And can you feel the love tonight
 How it's laid to rest

You've Got a Friend in Me

Sung & Written by Randy Newman

You've got a friend in me
You've got a friend in me
When the road looks rough¹ ahead
And you're miles and miles from your nice warm bed
You just remember what your old pal said
Boy you've got a friend in me
Yeah you've got a friend in me
You've got a friend in me
You've got a friend in me
You've got troubles and I've got 'em too
There isn't anything I wouldn't do for you
We stick together² and we see it through³
'Cause you've got a friend in me
You've got a friend in me
Some other folks⁴ might be a little bit smarter than I am
Bigger and stronger too maybe
But none of them will ever love you the way I do
It's me and you boy
And as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me

My Heart Will Go On

Sung by Céline Dion | Written by Will Jennings/James Horner

Every night in my dreams
 I see you I feel you
 That is how I know you go on
 Far across¹ the distance
 And spaces² between us
 You have come to show you go on
 Near far wherever you are
 I believe that the heart does go on
 Once more you open the door
 And you're here in my heart
 And my heart will go on and on
 Love can touch us one time
 And last for a lifetime
 And never let go till we're gone

Love was when I loved you
 One true time I hold to
 In my life we'll always go on
 Near far wherever you are
 I believe that the heart does go on
 Once more you open the door
 And you're here in my heart
 And my heart will go on and on
 You're here there's nothing I fear
 And I know that my heart will go on
 We'll stay forever this way
 You are safe in my heart
 And my heart will go on and on

A Thousand Years

Sung by Christina Perri | Written by Christina Perri/David Hodges

Heart beats fast
 Colors and promises
 How to be brave
 How can I love when I'm afraid to fall
 But watching you stand alone
 All of my doubt suddenly goes away
 somehow
 One step closer
 I have died everyday waiting for you
 Darling don't be afraid I have loved you
 For a thousand years
 I'll love you for a thousand more
 Time stands¹ still²
 Beauty in all she is
 I will be brave
 I will not let anything take away
 What's standing in front of me
 Every breath
 Every hour has come to this

One step closer
 I have died everyday waiting for you
 Darling don't be afraid I have loved you
 For a thousand years
 I'll love you for a thousand more
 And all along I believed I would find you
 Time has brought your heart to me
 I have loved you for a thousand years
 I'll love you for a thousand more
 One step closer
 One step closer
 I have died everyday waiting for you
 Darling don't be afraid I have loved you
 For a thousand years
 I'll love you for a thousand more
 And all along I believed I would find you
 Time has brought your heart to me

Let It Go

Sung by Idina Menzel | Written by Robert Lopez/Kristen Anderson-Lopez

The snow glows¹ white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation²
And it looks like I'm the queen³
The wind is howling⁴ like this swirling⁵ storm⁶ inside
Couldn't keep it in Heaven⁷ knows I've tried
Don't let them in don't let them see
Be the good girl you always have to be
Conceal⁸ don't feel don't let them know
Well now they know
Let it go let it go
Can't hold it back⁹ anymore
Let it go let it go
Turn away¹⁰ and slam the door¹¹
I don't care what they're going to say
Let the storm rage on¹²
The cold never bothered¹³ me anyway
It's funny how some distance
Makes everything seem small
And the fears that once controlled me
Can't get to me at all

It's time to see what I can do
To test the limits and break through
No right no wrong no rules for me
I'm free
Let it go let it go
I'm one with the wind and sky
Let it go let it go
You'll never see me cry
Here I stand and here I'll stay
Let the storm rage on
My power flurries¹⁴ through the air into the ground
My soul is spiraling¹⁵ in frozen fractals¹⁶ all around
And one thought crystallizes¹⁷ like an icy blast¹⁸
I'm never going back the past is in the past
Let it go let it go
When I'll rise like the break of dawn
Let it go let it go
That perfect girl is gone
Here I stand in the light of day
Let the storm rage on
The cold never bothered me anyway

Five Hundred Miles

Sung & Written by Justin Timberlake/Carey Mulligan/Stark Sands

If you missed the train I'm on
 You will know that I am gone
 You can hear the whistle blow¹ a hundred miles
 A hundred miles a hundred miles
 A hundred miles a hundred miles
 You can hear the whistle blow a hundred miles
 Lord I'm one Lord I'm two
 Lord I'm three Lord I'm four
 Lord I'm five hundred miles away from home
 Away from home away from home
 Away from home away from home
 Lord I'm five hundred miles away from home
 Not a shirt on my back
 Not a penny² to my name³⁴
 Lord I can't go back home this-a way
 This-a way this-a way
 This-a way this-a way
 Lord I can't go back home this-a way
 If you missed the train I'm on
 You will know that I am gone
 You can hear the whistle blow a hundred miles
 You can hear the whistle blow a hundred miles
 You can hear the whistle blow a hundred miles
 You can hear the whistle blow a hundred miles

你听那绵延百里的汽笛，声无止息。
 踏上人生的火车，永远不知道下一站在哪里。
 离别，再无归期。
 声声汽笛，一如我的叹息。

See you again

Sung by Wiz Khalifa/Charlie Puth | Written by Justin Franks/Charlie Puth/Cameron Thomaz/Sage The Gemini

It's been a long day without you my friend
 And I'll tell you all about it when I see you again
 We've come a long way from where we began
 Oh I'll tell you all about it when I see you again
 When I see you again

Damn who knew all the planes we flew
 Good things we've been through
 That I'd be standing right¹ here
 Talking to you about another path
 I know we loved to hit the road and laugh
 But something told me that it wouldn't last²
 Had to switch³ up look at things different see
 the bigger picture
 Those were the days hard work forever pays⁴
 Now I see you in a better place
 How could we not talk about family when family's
 all that we got?
 Everything I went through you were standing
 there by my side
 And now you gon' be with me for the last ride

It's been a long day without you my friend
 And I'll tell you all about it when I see you again
 We've come a long way from where we began
 Oh I'll tell you all about it when I see you again
 When I see you again
 First you both go out your way
 And the vibe⁵ is feeling strong and what's small

turn to a friendship
 a friendship turn to a bond and
 that bond⁶ will never be broken the love will
 never get lost
 And when brotherhood⁷ come first then the line
 Will never be crossed⁸ established⁹ it on our
 own
 When that line had to be drawn and that line is
 what we reach
 So remember me when I'm gone
 How could we not talk about family when family's
 all that we got?
 Everything I went through you were standing
 there by my side
 And now you gon' be with me for the last ride
 So let the light guide your way
 Hold every memory as you go
 And every road you take will always lead you
 home
 Hoo
 It's been a long day without you my friend
 And I'll tell you all about it when I see you again
 We've come a long way from where we began
 Oh I'll tell you all about it when I see you again
 When I see you again

Flashlight¹

Sung by Jessie J | Written by Sia Furler/Sam Smith/Jason Moore/Christian Guzman

When tomorrow comes I'll be on my own
Feeling frightened of the things that I don't know

When tomorrow comes
Tomorrow comes
Tomorrow comes
And though the road is long
I look up to the sky
And in the dark I found lost hope that I won't fly
And I sing along² I sing along then I sing along
I got all I need when I got you and I
I look around me and see a sweet life

Remember Me

Written by Kristen Anderson-Lopez/Robert Lopez

Remember me
Though I have to say goodbye
Remember me
Don't let it make you cry
For even if I'm far away I hold you in my heart
I sing a secret song to you each night we are apart
Remember me
Though I have to travel far
Remember me
Each time you hear a sad guitar
Know that I'm with you the only way that I can be
Until you're in my arms again
Remember me

The Place Where Lost Things Go

Sung by Emily Blunt | Lyrics by Marc Shaiman/Scott Wittman | Composed by Marc Shaiman

Do you ever lie
 Awake¹ at night
 Just between the dark
 And the morning light
 Searching for the things
 You used to know
 Looking for the place
 Where the lost things go
 Do you ever dream
 Or reminisce²
 Wondering where to find
 What you truly miss
 Well maybe all those things
 That you love so
 Are waiting in the place
 Where the lost things go
 Memories you've shed³
 Gone for good⁴ you feared
 They're all around you still
 Though they've disappeared
 Nothing's really left
 Or lost without a trace⁵
 Nothing's gone forever
 Only out of place
 So maybe now the dish⁶
 And my best spoon⁷

Are playing hide and seek⁸
 Just behind the moon
 Waiting there until
 It's time to show
 Spring is like that now
 Far beneath⁹ the snow
 Hiding in the place
 Where the lost things go
 Time to close your eyes
 So sleep can come around
 For when you dream you'll find
 All that's lost is found
 Maybe on the moon
 Or maybe somewhere new
 Maybe all you're missing lives inside of you
 So when you need her touch
 And loving gaze¹⁰
 Gone but not forgotten

Dream It Possible

Sung by Delacey | Written by Andy Love

I will run I will climb I will soar¹
 I'm undefeated²
 Jumping out of my skin pull the chord³
 Yeah I believe it
 The past is everything we were don't make
 us who we are
 So I'll dream until I make it real and all I

 It's not until you fall that you fly
 When your dreams come alive you're

 And if it takes takes a thousand lives

Then it's worth fighting for

Can't Help Falling In Love

Sung by Elvis Presley¹ | Written by George Weiss/Hugo Peretti/Luigi Creatore

Wise men say only fools rush in
 But I can't help falling in love with you
 Shall I stay
 Would it be a sin²
 If I can't help falling in love with you
 Like a river flows surely to the sea
 Darling so it goes
 Some things are meant to be
 Take my hand take my whole life too
 For I can't help falling in love with you
 Like a river flows surely to the sea
 Darling so it goes
 Some things are meant to be
 Take my hand take my whole life too
 For I can't help falling in love with you

I'm So Lonesome I Could Cry

Sung by Elvis Presley | Written by Hank Williams

Hear that lonesome¹ winter bird
 He sounds too blue to fly
 The midnight train is whining² low
 I'm so lonesome I could cry
 Did you ever see a robin³ weep⁴
 When leaves began to die
 That means he's lost the will to live
 I'm so lonesome I could cry
 The silence of a falling star
 Lights up a purple sky
 And as I wonder where you are
 I'm so lonesome I could cry
 I'm so lonesome I could cry

You Are Not Alone

Sung by Michael Jackson | Written by R. Kelly

Another day has gone
I'm still all alone
How could this be
You're not here with me
You never said goodbye
Someone tell me why
Did you have to go
And leave my world so cold
Every day I sit and ask myself
How did love slip away¹
Something whispers in my ear and says
That you are not alone
I am here with you
Though you're far away
I am here to stay
But you are not alone
I am here with you
Though we're far apart
You're always in my heart
But you are not alone
'Lone 'lone
Why 'lone
Just the other night
I thought I heard you cry
Asking me to come
And hold you in my arms
I can hear your prayers²
Your burdens I will bear
But first I need your hand
Then forever can begin
Every day I sit and ask myself

How did love slip away
Something whispers in my ear and says
That you are not alone
I am here with you
Though you're far away
I am here to stay
But you are not alone
I am here with you
Though we're far apart
You're always in my heart
But you are not alone
Whisper three words and I'll come running
And girl you know that I'll be there
I'll be there
That you are not alone
I am here with you
Though you're far away
I am here to stay
But you are not alone
I am here with you
Though we're far apart
You're always in my heart
But you are not alone
That you are not alone
I am here with you
Though you're far away
I am here to stay

Heal The World¹

Sung by Michael Jackson | Written by Michael Jackson/Marty Paich

There's a place in your heart
 And I know that it is love
 And this place could be much
 Brighter than tomorrow
 And if you really try
 You'll find there's no need to cry
 In this place you'll feel
 There's no hurt or sorrow²
 There are ways to get there
 If you care enough for the living³
 Make a little space⁴
 Make a better place
 Heal the world
 Make it a better place
 For you and for me
 And the entire human race
 There are people dying
 If you care enough for the living
 Make a better place
 For you and for me
 If you want to know why
 There's a love that cannot lie
 Love is strong
 It only cares for joyful giving⁵
 If we try we shall see
 In this bliss⁶ we cannot feel
 Fear or dread⁷
 We stop existing and start living

Then it feels that always
 Love's enough for us growing
 So make a better world
 To make a better world
 Heal the world
 Make it a better place
 For you and for me
 And the entire human race
 There are people dying
 If you care enough for the living
 Make a better place for you and for me
 And the dream we were conceived⁸ in
 Will reveal⁹ a joyful face
 And the world we once believed in
 Will shine again in grace¹⁰
 Then why do we keep strangling¹¹ life
 Wound¹² this earth crucify¹³ its soul
 Though it's plain¹⁴ to see
 This world is heavenly¹⁵
 Be god's glow¹⁶
 We could fly so high
 Let our spirits never die
 In my heart I feel you are all my brothers
 Create a world with no fear
 Together we'll cry happy tears
 See the nations turn their swords¹⁷ into
 ploughshares¹⁸
 We could really get there

Hey Jude

Sung by The Beatles | Written by John Lennon/Paul McCartney

Hey Jude don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better
Hey Jude don't be afraid
You were made to go out and get her
The minute¹ you let her under your skin
Then you begin to make it better
And anytime you feel the pain hey Jude
refrain²

Don't carry the world upon your shoulders
For well you know that it's a fool who plays
it cool
By making his world a little colder
Na na na na na na na na na
Hey Jude don't let me down
You have found her now go and get her
Remember to let her into your heart
Then you can start to make it better
So let it out³ and let it in hey Jude begin
You're waiting for someone to perform with
And don't you know that it's just you hey
Jude you'll do
The movement you need is on your shoulder

My Love

Sung by Westlife¹ | Written by Jörgen Elofsson/Pelle Nylén/Per Magnusson/David Kreuger

An empty street an empty house
 A hole inside my heart
 I'm all alone the rooms are getting smaller
 I wonder how I wonder why
 I wonder where they are
 The days we had the songs we sang together
 Oh yeah
 And oh my love
 I'm holding on forever
 Reaching for the love that seems so far
 So I say a little prayer²
 And hope my dreams will take me there
 Where the skies are blue
 To see you once again my love
 Overseas from coast to coast
 To find a place I love the most
 Where the fields are green
 To see you once again my love
 I try to read I go to work
 I'm laughing with my friends
 But I can't stop to keep myself from
 thinking³ oh no
 I wonder how I wonder why
 I wonder where they are
 The days we had the songs we sang together
 Oh yeah
 And oh my love
 I'm holding on forever
 Reaching for the love that seems so far
 So I say a little prayer
 And hope my dreams will take me there

Where the skies are blue
 To see you once again my love
 Overseas from coast to coast
 To find a place I love the most
 Where the fields are green
 To see you once again
 To hold you in my arms
 To promise you my love
 To tell you from the heart
 You're all I'm thinking of
 I'm reaching for the love that seem so far
 So
 So I say a little prayer
 And hope my dreams will take me there
 Where the skies are blue
 To see you once again my love
 Overseas from coast to coast
 To find a place I love the most
 Where the fields are green
 To see you once again
 My love
 Say a little prayer
 My sweet love
 Dreams will take me there
 Where the skies are blue
 To see you once again
 Oh my love
 Overseas from coast to coast
 To find a place I love the most
 Where the fields are green
 To see you once again my love

Seasons In The Sun

Sung by Westlife | Written by Jacques Brel

Goodbye to you my trusted friend¹
 We've known each other since we were nine
 or ten
 Together we've climb hills and trees
 Learned of love and ABC's
 Skinned² our hearts and skinned our knees
 Goodbye my friend it's hard to die
 When all the birds are singing in the sky
 Now the spring is in the air
 Pretty³ girls are everywhere
 Think of me and I'll be there
 We had joy we had fun
 We had seasons in the sun
 But the hills that we climb
 Were just seasons out of time⁴
 Goodbye papa please pray for me
 I was the black sheep⁵ of the family
 You tried to teach me right from wrong⁶
 Too much wine and too much song
 Wonder how i got along
 Goodbye papa it's hard to die
 When all the birds are singing in the sky
 Now that the spring is in the air
 Little children are everywhere
 When you see them i'll be there
 We had joy we had fun
 We had seasons in the sun
 But the wine and the song
 Like the seasons have all gone
 We had joy we had fun

We had seasons in the sun
 But the wine and the song
 Like the seasons have all gone
 Yeah
 Goodbye Michelle my little one
 You gave me love and help me find the sun
 And every time that I was down⁷
 You would always come around
 And get my feet back on the ground
 Goodbye Michelle it's hard to die
 When all the birds are singing in the sky
 Now that the spring is in the air
 With the flowers everywhere
 I wish that we could both be there
 We had joy we had fun
 We had seasons in the sun
 But the hills that we climb

Soledad¹

Sung by Westlife | Written by Rami Yacoub/Andreas Carlsson/K.C. Porter

If only² you could see the tears
 In the world you left behind
 If only you could heal my heart
 Just one more time
 Even when I close my eyes
 There's an image³ of your face
 And once again I come to realise
 You're a loss I can't replace⁴
 Soledad
 It's a keeping for the lonely
 Since the day that you were gone
 Why did you leave me
 Soledad
 In my heart you were the only
 And your memory lives on⁵
 Why did you leave me
 Soledad
 Walking down the streets of Nothingville
 Where our love was young and free
 Can't believe just what an empty place
 It has come to be
 I would give my life away⁶
 If it could only be the same
 Cause I can't still the voice inside of me
 That is calling out your name
 Soledad
 Soledad
 It's a keeping for the lonely
 Since the day that you were gone
 You were gone
 Why did you leave me

Soledad
 In my heart you were the only
 And your memory lives on
 Why did you leave me
 Soledad
 Time will never change the things you told
 me
 After all we're meant to be
 Love will bring us back to you and me
 If only you could see

The Day You Went Away

Sung by M2M | Written by Marion Raven/Marit Larsen and Matt Rowe

Well I wonder could it be
 When I was dreaming 'bout you baby
 You were dreaming of me
 Call me crazy call me blind
 To still be suffering is stupid after all of
 this time
 Did I lose my love to someone better
 And does she love you like I do
 I do you know I really really do
 Well hey
 So much I need to say
 Been lonely since the day
 The day you went away
 So sad but true
 For me there's only you
 Been crying since the day
 The day you went away
 I remember date and time
 September twenty second
 Sunday twenty-five after nine
 In the doorway¹ with your case²
 No longer shouting at each other
 There were tears on our faces
 And we were letting go of³ something
 special
 Something we'll never have again
 I know I guess I really really know
 Well hey
 So much I need to say

Been lonely since the day
 The day you went away
 So sad but true
 For me there's only you
 Been crying since the day
 The day you went away
 The day you went away
 The day you went away

 But I just can't make a sound

 That it's too late to apologize

Counting Stars

Sung by OneRepublic | Written by Ryan Tedder

Lately I've been I've been losing sleep
 Dreaming about the things that we could be
 But baby I've been I've been praying hard

 Yeah we'll be counting stars
 I see this life like a swinging vine¹
 Swing² my heart across the line

 Young but I'm not that bold⁵
 And I don't think the world is sold

Until You

Sung by Shayne Ward | Written by Arnthor Birgisson/Rami Yacoub/Savan Kotecha

Baby life was good to me
 But you just made it better
 I love the way you stand by me
 Through any kind of weather
 I don't wanna run away just wanna make
 your day
 When you feel the world is on your
 shoulders
 Don't wanna make it worse just wanna make
 us work
 Baby tell me I will do whatever
 It feels like nobody ever knew me until you
 knew me
 Feels like nobody ever loved me until you
 loved me
 Feels like nobody ever touched me until you
 touched me
 Baby nobody nobody until you
 Baby it just took one hit of you¹
 Now I'm addicted²
 You never know what's missing
 Till you get everything you needed
 I don't wanna run away just wanna make

 Baby tell me I will do whatever

It feels like nobody ever knew me until you

Dancing With Your Ghost

Sung & Written by Sasha Sloan

Yelling at¹ the sky
 Screaming at the world
 Baby why'd you go away
 I'm still your girl
 Holding on too tight²
 Head up³ in the clouds
 Heaven only knows where you are now
 How do I love how do I love again
 How do I trust how do I trust again

 Wait 'til I hear our song
 Every night I'm dancing with your ghost
 Every night I'm dancing with your ghost
 Never got the chance
 To say your last goodbye
 I gotta move on
 But it hurts to try

Something Just Like This

Sung by The Chainsmokers/Coldplay

Written by Andrew Taggart/Christopher Martin/Guy Berryman/Jonny Buckland/Will Champion

I've been reading books of old
 The legends and the myths¹
 Achilles and his gold
 Hercules and his gifts
 Spiderman's control
 And Batman with his fists²
 And clearly I don't see myself upon that list
 she said, where'd you wanna go?
 How much you wanna risk?

 With some superhuman gifts
 Some superhero
 Some fairytale bliss³
 Just something I can turn to
 Somebody I can kiss
 I want something just like this

Big Big World

Sung by Emilia Rydberg | Written by Emilia Rydberg/Lasse Anderson

I'm a big big girl
 In a big big world
 It's not a big big thing
 If you leave me
 But I do do feel
 That I do do will
 Miss you much
 Miss you much
 I can see the first leaf falling
 It's all yellow and nice
 It's so very cold outside
 Like the way I'm feeling inside
 I'm a big big girl
 In a big big world
 It's not a big big thing
 If you leave me
 But I do do feel
 That I do do will
 Miss you much
 Miss you much
 Outside it's now raining
 And tears are falling from my eyes
 Why did it have to happen
 Why did it all have to end
 I'm a big big girl
 In a big big world

It's not a big big thing
 If you leave me
 But I do do feel
 That I do do will
 Miss you much
 Miss you much
 I have your arms around me
 Warm like fire
 But when I open my eyes
 You're gone
 I'm a big big girl
 In a big big world
 It's not a big big thing
 If you leave me
 But I do do feel
 That I do do will
 Miss you much
 Miss you much
 I'm a big big girl
 In a big big world
 It's not a big big thing
 If you leave me
 But I do feel I will
 Miss you much
 Miss you much

She

By Groove Coverage¹

She hangs out² every day near by the beach
 Havin' a harnican fallin' asleep
 She looks so sexy when she's walking the sand³
 Nobody ever put a ring on her hand
 Swim to the oceanshore fish in the sea
 She is the story the story is she
 She sings to the moon and the stars in the sky
 Shining from high above you shouldn't ask why
 She is the one that you never forget
 She is the heaven-sent angel you met
 Oh she must be the reason why God made a girl
 She is so pretty all over the world
 She puts the rhythm⁴ the beat in the drum
 She comes in the morning and the evening she's gone
 Every little hour every second⁵ you live
 Trust in eternity⁶ that's what she gives
 She looks like Marilyn walks like Suzanne
 She talks like Monica and Marianne

She wins in everything that she might do
 And she will respect you forever just you
 She is the one that you never forget
 She is the heaven-sent angel you met
 Oh she must be the reason why God made a girl
 She is so pretty all over the world
 She is so pretty all over the world
 She is so pretty
 She is like you and me
 Like them like we
 She is in you and me
 She is the one that you never forget
 She is the heaven-sent angel you met
 Oh she must be the reason why God made a girl
 She is so pretty all over the world

Raindrops

By Eliane

Now another year has come
 Like the last and the one before
 I'm waiting in the cabin¹ by the shore²
 When the night comes crawling³ in
 Bells⁴ chimes⁵ and tamber⁶ ring⁷
 I thought I heard you knocking on the door
 Hear the drops of drizzle⁸ time
 About the long gone fairytale
 I let them know my wish again
 Raindrops falling on the rooftop
 And again they bring up
 All the lone gone memories
 Raindrops falling on the rooftop
 I will never give up
 Hope I will meet you here
 Last year I'm the one before
 In the cabin by the shore
 You gave mud⁹ hut¹⁰ chamber¹¹ change the
 breadth¹²
 Remember how we scratched¹³ the names
 In the tree right¹⁴ by the lake

I went over to see if it's still there
 When you hear the bells from far
 I'll be waiting there in the dark
 And send my wish upon a star
 Raindrops falling on the rooftop
 And again they bring up
 All the lone gone memories
 Raindrops falling on the rooftop
 I will never give up
 Hope I will meet you here
 Happy end of every year
 You will find me waiting here
 For you to come along
 Right down to the shore
 Ooooooh
 Raindrops falling on the rooftop
 And again they bring up
 All the lone gone memories
 Raindrops falling on the rooftop
 I will never give up
 Hope I will meet you here

Could This Be Love

By Victoria Acosta

Woke up¹ this morning
 Just sat in my bed
 8 a.m. first thing in my head
 Is a certain² someone
 Who's always on my mind
 He treats me like a lady in every way
 He smiles and warms me through up the day
 Should I tell him I love you
 Wish I knew what to say
 Could this be love that I feel
 So strong so deep and so real
 If I lost you would I ever heal
 Could this be love that I feel
 Could this be love that I feel
 So strong so deep and so real
 If I lost you would I ever heal
 Could this be love that I feel
 The way he looks
 So deep in my eyes
 Our hearts are so warm
 I just wanna cry
 Then he's so hardworking
 He wants to be someone
 Should I tell him that I love you

What if³ he doesn't say it too
 I'm getting so nervous
 What should I do
 Could this be love that I feel
 So strong so deep and so real
 If I lost you would I ever heal
 Could this be love that I feel
 Could this be love that I feel
 So strong so deep and so real
 If I lost you would I ever heal
 Could this be love that I feel
 Will it be my turn
 Two hearts beating together as one
 No more loneliness⁴
 Only love laughter and fun
 Could this be love that I feel
 So strong so deep and so real
 If I lost you would I ever heal

Two a.m. and the rain is falling
 Here we are at the crossroads¹ once again
 You're telling me you're so confused
 You can't make up your mind²
 This is meant to³ be you're asking me

 Try again or walk away
 But I believe for you and me
 The sun will shine⁴ one day
 So I'll just play me part
 And pray⁵ you'll have a change of heart
 But I can't make you see it through⁶
 That's something only love can do
 In your arm as the dawn is breaking⁷
 Face to face and a thousand miles apart⁸
 I've tried my best to make you see
 There's hope beyond the pain
 If we give enough if we learn to trust
 But only love can say
 Try again or walk away

But I believe for you and me
 The sun will shine one day
 So I'll just play me part
 And pray you'll have a change of heart
 But I can't make you see it through
 That's something only love can do
 I know if I could find the words
 To touch you deep inside
 You'd give our dream just one more chance
 Don't let this be our goodbye

Lemon Tree

Sung & Written by Fool's Garden

I'm sittin' here in the boring room
 It's just another rainy Sunday afternoon
 I'm wastin' my time I got nothin' to do
 I'm hangin' around¹ I'm waitin' for you
 But nothing ever happens and I wonder
 I'm drivin' around in my car
 I'm drivin' too fast I'm drivin' too far
 I'd like to change my point of view²
 I feel so lonely I'm waitin' for you
 But nothing ever happens and I wonder
 I wonder how I wonder why
 Yesterday you told me 'bout the blue blue
 sky
 And all that I can see is just a yellow lemon
 tree
 I'm turnin' my head up and down
 I'm turnin' turnin' turnin' turnin'
 around
 And all that I can see is just another lemon
 tree
 Sing:
 Dap-dadada-dadpm-didap-da
 Dadada-dadpm-didap-da
 Dap-didili-da
 I'm sittin' here I missed the power³
 I'd like to go out takin' a shower⁴

But there's a heavy cloud⁵ inside my head
 I feel so tired put myself into bed
 Well nothing ever happens and I wonder
 Isolation⁶ is not good for me
 Isolation I don't want to sit on the lemon
 tree
 I'm steppin' around in the desert of joy
 Baby anyhow I'll get another toy
 And everything will happen and you wonder
 I wonder how I wonder why
 Yesterday you told me 'bout the blue blue

 And all that I can see is just another lemon
 tree
 I'm turnin' my head up and down
 I'm turnin' turnin' turnin' turnin'

 And all that I can see is just a yellow lemon

Sold Out

Sung by Hawk Nelson | Written by Jonathan Steingard

Hoo hoo hoo hey
 Hoo hoo hoo hey
 I ain't like no one you met before
 I'm running for the front
 When they're all running for the door
 And I won't sit down won't back out¹
 You can't ever shut me up²
 'Cause I'm on a mission³
 And I won't quit⁴ now
 In a world full of followers⁵
 I'll be a leader
 In a world full of doubters⁶
 I'll be a believer⁷
 I'm stepping out⁸ without a hesitation⁹
 Because the battle's already been won
 I'm sold out
 I'm no longer living
 Just for myself
 Running after¹⁰ Jesus
 With my whole heart
 And now I'm ready to show
 I am sold out
 I'm sold out
 With every single
 Step that I take now
 With every drop of blood¹¹
 Left in my veins¹²
 I'm gonna be making it count
 I am sold out

This ain't just some temporary phase
 You can't face this kind of grace
 And leave the way you came
 This is permanent with intent
 And there won't be no stopping it now
 I'm on a mission and it's heaven sent
 In a world full of followers
 I'll be a leader
 In a world full of doubters
 I'll be a believer
 I'm stepping out without a hesitation
 'Cause my soul is like a stadium
 I'm sold out
 I'm no longer living
 Just for myself
 Running after Jesus
 With my whole heart
 And now I'm ready to show
 I am sold out
 I'm sold out
 With every single
 Step that I take now

Heartbeats

Sung by Amy Diamond/Robert Habolin | Written by Amy Diamond

I can't figure out¹
Is it meant² to be this way
Easy words so hard to say
I can't live without
Knowing how you feel
Know if this is real
Tell me am I mistaken³
Cause I don't have another heart for

I just wanna stay
Can't you feel my heartbeats
Giving me away⁴
I just want to know
If you too feel afraid
I can feel your heartbeats
Giving you away
Giving us away
I can't understand
How it's making sense⁵
That we put up such defense⁶
When all you need to know
No matter what you do

I'm just as scared as you
Tell me am I mistaken
Cause I don't have another heart for

Please don't let me go

Look At Me Now

By Charlie Puth

I said this time next year
I'mma be the one who do
Everything and more you said
I couldn't do
This one is for you
This time next year
I'm gonna be stronger
A little bit taller
Top is my only view
I'm kickin' in the door now
Better get out my way¹
Never really saw me comin'
You left with nothing to say
This for everybody
Who've always put me down
I hope you open up your eyes
And take a good look at me now
Take a good look at me now
Take a good look at me now
'Cause this time next year
I'mma walk down² these halls
And show my face for the world to see
Gonna see me
And I'mma call every girl that turned me
down
And tell 'em now that
I'm just too busy
'Cause I don't have the time
And it's funny how my so-called friends
Who've always left me alone
Are suddenly running into me
And blowin' up³ my phone

I'm kickin' in the door now
Better get out my way
Never really saw me comin'
You left with nothing to say
This for everybody
Who've always put me down
I hope you open up your eyes
And take a good look at me now
Take a good look at me now
Take a good look at me now
Oh baby
Take a good look at me now
Take a good look at me now
Oh look at me now
Woah this one is dedicated
To⁴ all of the people
Who said I would be nothing
Just look at me now
Look at me now
Look at me now

Everytime

Sung by Britney Spears

Lyrics by Britney Spears/Annet Artani | Composed by Britney Spears/A.Stamatelatos

Notice me
Take my hand
Why are we
strangers when
Our love is strong
Why carry on without me
Everytime¹ I try to fly
I fall without my wings
I feel so small
I guess I need you baby
And everytime I see you in my dreams
I see your face
It's haunting² me
I guess I need you baby
I make believe³ that you are here
It's the only way I see clear
What have I done
You seem to move on easy
Everytime I try to fly
I fall without my wings

I feel so small
I guess I need you baby
And everytime I see you in my dreams
I see your face
You're haunting me
I guess I need you baby
I may have made it rain
Please forgive⁴ me
My weakness caused your pain
And this song is my sorry
At night I pray
That soon your face will fade away
Everytime I try to fly
I fall without my wings

I see your face
You're haunting me

Moonlight Shadow¹

Sung by Dana Winner | Written by Mike Oldfield

The last that ever she saw him
Carried away by a moonlight shadow
He passed on worried and warning
Carried away by a moonlight shadow
Lost in a riddle² that Saturday night
Far away on the other side
He was caught in³ the middle of a
desperate⁴ fight
And she couldn't find how to push through⁵
The trees that whisper⁶ in the evening
Carried away by a moonlight shadow
Sing the song of sorrow and grieving⁷
Carried away by a moonlight shadow
All she saw was a silhouette⁸ of a gun
Far away on the other side
He was shot six times by a man on the run
And she couldn't find how to push through
I stay I pray I see you in heaven far away
I stay I pray I see you in heaven one day

Four a.m. in the morning
Carried away by a moonlight shadow
I watched your vision⁹ forming
Carried away by a moonlight shadow
Stars move slowly in the silvery night
Far away on the other side
Will you come to talk to me this night
But she couldn't find how to push through
I stay I pray I see you in heaven far away
I stay I pray I see you in heaven one day
Caught in the middle of a hundred and five

Never Had A Dream Come True

Sung by S Club 7 | Written by Cathy Dennis/Simon Ellis

Everybody's got something
They had to leave behind
One regret¹ from yesterday
That just seems to grow with time
There's no use looking back or wondering or
wondering²
How it could be now or might have been
All this I know but still I can't find ways to
let you go³
I never had a dream come true
Til the day that I found you
Even though I pretend⁴ that I've moved on
You'll always be my baby
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me
to
A part of me will always be with you yeah
Somewhere in my memory
I've lost all sense of time
And tomorrow can never be
Cause yesterday is all that fills my mind⁵
There's no use looking back or wondering or
wondering
How it should be now or might have been
All this I know but still I can't find ways to
let you go
I never had a dream come true
Til the day that I found you
Even though I pretend that I've moved on

You'll always be my baby
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me
to
A part of me will always be
You'll always be the dream that fills my
head
Yes you will say you will you know you will oh
baby
You'll always be the one I know I'll never
forget
There's no use looking back or wondering or
wondering
Because love is a strange and funny thing
and funny thing
No matter how I try and try I just can't say
good bye
No no no no
I never had a dream come true

Someone You Loved

Sung by Lewis Capaldi | Written by Lewis Capaldi/Sam Romans/Ben Kohn/Pete Kelleher/Tom Barnes

I'm going under and I fear this time there's no one to save me
 This all or nothing really got a way of driving me crazy¹
 I need somebody to heal²
 Somebody to know
 Somebody to have
 Somebody to hold
 It's easy to say
 But it's never the same
 I guess I kinda liked the way you numbed³ all the pain
 Now the day bleeds⁴
 Into nightfall⁵
 And you're not here
 To get me through⁶ it all
 I let my guard⁷ down
 And then you pulled the rug⁸
 I was getting kinda used to being someone you loved
 I'm going under and I fear this time there's no one to turn to
 This all or nothing way of loving got me sleeping without you
 Now, I need somebody to know
 Somebody to heal
 Somebody to have
 Just to know how it feels
 It's easy to say but it's never the same
 I guess I kinda liked the way you helped me escape

Now the day bleeds
 Into nightfall
 And you're not here
 To get me through it all
 I let my guard down
 And then you pulled the rug
 I was getting kinda used to being someone you loved
 And I tend to⁹ close my eyes when it hurts sometimes
 I fall into your arms
 I'll be safe in your sound til I come back around
 For now the day bleeds
 Into nightfall
 And you're not here
 To get me through it all
 I let my guard down
 And then you pulled the rug

Fight Song

Sung by Rachel Platten | Written by Dave Bassett/Rachel Platten

Like a small boat on the ocean
Sending big waves into motion¹
Like how a single word
Can make a heart open
I might only have one match²
But I can make an explosion³
And all those things I didn't say
Wrecking⁴ balls inside my brain
I will scream⁵ them loud tonight
Can you hear my voice

My power's turned on
Starting right now I'll be strong
I'll play my fight song
And I don't really care
If nobody else believes
Cause I've still got
A lot of fight left in me
Losing friends and I'm chasing sleep
Everybody's worried about me
In too deep say I'm in too deep
And it's been two years

But There's a fire burning in my bones

That Girl

Sung by Olly Murs | Lyrics by Olly Murs/Claude Kelly/Steve Robson | Composed by Claude Kelly/Olly Murs/Steve Robson

There's a girl but I let her get away ¹	space	No home for me
It's all my fault ² cause pride got in the way	I've been torturing myself night and day	No home cause I'm broken
And I'd be lying if I said I was OK	About that girl the one I let get away	About that girl
About that girl the one I let get away	I keep saying no	The one I let get away
I keep saying no	This can't be the way it was supposed to be	So you better
This can't be the way it was supposed to be	I keep saying no	Speak up if you want somebody
I keep saying no	There's gotta be a way to get you	You can't let them get away no no
There's gotta be a way to get you close to me	Gotta be a way	You don't wanna end up sorry
Now I know you gotta	To get you close to me	The way that I'm feeling every day
Speak up if you want somebody	You gotta	Don't you know
Can't let them get away oh no	Speak up if you want somebody	No no no no
You don't wanna end up sorry	Can't let them get away oh no	There's no home for the broken heart
The way that I'm feeling every day	You don't wanna end up sorry	Don't you know
Don't you know	The way that I'm feeling every day	No no no no
No no no no	Don't you know	There's no home for the broken
There's no hope for the broken heart	No no no no	Oh
Don't you know	There's no hope for the broken heart	You don't wanna lose at love
No no no no	Don't you know	It's only gonna hurt too much
There's no hope for the broken	No no no no	I'm telling you
There's a girl but I let her get away	There's no hope for the broken	You don't wanna lose at love
It's my fault cause I said I needed	No home for me	It's only gonna hurt too much

The Sound of Silence

Sung by Simon & Garfunkel | Written by Paul Simon

Hello darkness my old friend
I've come to talk with you again
Because a vision¹ softly creeping²
Left it's seeds³ while I was sleeping
And the vision that was planted⁴ in my brain
Still remains
Within the sound of silence
In restless⁵ dreams I walked alone
Narrow⁶ streets of cobblestone⁷
'Neath⁸ the halo⁹ of a streetlamp
I turned my collar¹⁰ to the cold and damp
When my eyes were stabbed¹¹ by the flash
of a
Neon light¹²
That split the night¹³
And touched the sound of silence
And in the naked light¹⁴ I saw
Ten thousand people maybe more
People talking without speaking
People hearing without listening

People writing songs that voices never
shared
No one dared
Disturb the sound of silence
Fools said I you do not know
Silence like a cancer grows¹⁵
Hear my words that I might teach you
Take my arms that I might reach you
But my words like silent raindrops fell
And echoed¹⁶ in the wells¹⁷ of silence
And the people bowed and prayed
To the neon god they made
And the sign flashed out it's warning
In the words that it was forming
And the sign said the words of the
prophets¹⁸ are
Written on the subway walls
And tenement halls¹⁹
And whispered²⁰ in the sounds of silence

That's Why You Go Away

Sung by Michael Learns To Rock | Jascha Richter

Baby won't you tell me why there is sadness
in your eyes
I don't wanna say goodbye to you
Love is one big illusion¹ I should try to
forget
But there is something left in my head
You're the one who set it up
Now you're the one to make it stop
I'm the one who's feeling lost right now
Now you want me to forget every little thing
you said
But there is something left in my head
I won't forget the way you're kissin'
The feelin's so strong we're lastin' for so
long
But I'm not the man your heart is missin'
That's why you go away I know
You were never satisfied no matter how I
tried
Now you wanna say goodbye to me
Love is one big illusion I should try to forget
But there is something left in my head

I won't forget the way you're kissin'
The feelin's so strong we're lastin' for so
long
But I'm not the man your heart is missin'
That's why you go away I know
Yes I know
Sitting here all alone in the middle of
nowhere
Don't know which way to go
There ain't so much to say now between us
There ain't so much for you
Ain't so much for you
There ain't so much for me
Ain't so much for you
Anymore
I won't forget the way you're kissin'
The feelin's so strong we're lastin' for so
long
But I'm not the man your heart is missin'
That's why you go away I know
That's why you go away I know

The Show

Sung by Lenka | Written by Lenka Kripac/Jason Reeves

I'm just a little bit caught in the middle
 Life is a maze¹ and love is a riddle²
 I don't know where to go can't do it alone I've
 tried
 And I don't know why
 Slow it down make it stop
 Or else my heart is going to pop
 'Cause it's too much yeah it's a lot
 To be something I'm not
 I'm a fool out of love
 'Cause I just can't get enough
 I'm just a little bit caught in the middle
 Life is a maze and love is a riddle
 I don't know where to go can't do it alone I've
 tried
 And I don't know why
 I am just a little girl lost in the moment
 I'm so scared but I don't show it
 I can't figure it out
 It's bringing me down³ I know
 I've got to let it go
 And just enjoy the show
 The sun is hot in the sky
 Just like a giant spotlight
 The people follow the sign
 And synchronize⁴ in time
 It's a joke nobody knows
 They've got a ticket to that show
 Yeah
 I'm just a little bit caught in the middle
 Life is a maze and love is a riddle
 I don't know where to go can't do it alone I've
 tried
 And I don't know why
 I am just a little girl lost in the moment
 I'm so scared but I don't show it
 I can't figure it out
 It's bringing me down I know
 I've got to let it go
 And just enjoy the show
 Just enjoy the show
 Dum de dum dum de dum
 Just enjoy the show
 Dum de dum dum de dum
 Just enjoy the show
 I want my money back
 I want my money back

 Just enjoy the show

Take Me Home, Country Roads

Sung by John Denver | Written by John Denver/Bill Danoff/Taffy Nivert Danoff/Mary Danoff

Almost heaven west virginia
 Blue ridge mountains shenandoah river
 Life is old there older than the trees
 Younger than the mountains
 Growin like a breeze¹
 Country roads take me home
 To the place I belong
 West virginia mountain momma
 Take me home country roads
 All my memories gather round her
 Miner's² lady stranger to blue water
 Dark and dusty³ painted on the sky
 Misty⁴ taste of moonshine⁵
 Tear drops in my eyes
 Country roads take me home
 To the place I belong
 West virginia mountain mamma
 Take me home country roads

I hear her voice in the morning hours she
 calls me
 Radio reminds me of⁶ my home far away
 Driving down the road I get a feeling that I
 should
 Have been home yesterday

Love Story

Sung & Written by Taylor Swift

We were both young when I first saw you
 I close my eyes and the flashback¹ starts
 I'm standing there on a balcony² in summer air
 See the lights see the party the ball gowns³
 See you make your way through the crowd
 And say hello
 Little did I know
 That you were Romeo you were throwing pebbles⁴
 And my daddy said
 Stay away from Juliet
 And I was crying on the staircase
 Begging you please don't go
 And I said
 Romeo take me somewhere we can be alone
 I'll be waiting all there's left to do is run
 You'll be the prince and I'll be the princess
 It's a love story baby just say yes
 So I sneak out⁵ to the garden to see you
 We keep quiet 'cause we're dead if they knew
 So close your eyes escape this town for a little while
 'Cause you were Romeo I was a scarlet letter⁶
 And my daddy said
 Stay away from Juliet
 But you were everything to me
 I was begging you please don't go
 And I said Romeo take me somewhere we can be

alone

I'll be waiting all there's left to do is run
 You'll be the prince and I'll be the princess
 It's a love story baby just say yes
 Romeo save me they're trying to tell me how to feel
 This love is difficult but it's real
 Don't be afraid we'll make it out of this mess⁷
 It's a love story baby just say yes
 Oh oh
 And I got tired of waiting
 Wondering if you were ever coming around
 My faith⁸ in you was fading⁹
 When I met you on the outskirts of town¹⁰
 And I said
 Romeo save me I've been feeling so alone
 I keep waiting for you but you never come
 Is this in my head I don't know what to think
 He knelt¹¹ to the ground and pulled out a ring¹² and said
 Marry me Juliet you'll never have to be alone
 I love you and that's all I really know
 I talked to your dad go pick out a white dress
 It's a love story baby just say yes
 Oh oh

The End of the World

By Skeeter Davis/Earl Scruggs/The Stanley Brothers

Why does the sun go on shining
 Why does the sea rush to shore¹
 Don't they know it's the end of the world
 Cause you don't love me anymore
 Why do the birds go on singing
 Why do the stars glow² above
 Don't they know it's the end of the world
 It ended when I lost your love
 I wake up in the morning and I wonder
 Why everything's the same as it was
 I can't understand
 No I can't understand
 How life goes on the way it does
 Why does my heart go on beating
 Why do these eyes of mine cry
 Don't they know it's the end of the world
 It ended when you said goodbye
 Why does my heart go on beating
 Why do these eyes of mine cry
 Don't they know it's the end of the world
 It ended when you said goodbye

Just One Last Dance

Sung by Sarah Connor | Rob Tyger/Kay Denar

Just one last dance oh baby just one last dance
 We meet in the night in the Spanish cafe¹
 I look in your eyes just don't know what to say
 It feels like I'm drowning² in salty water
 A few hours left 'til the sun's gonna rise
 Tomorrow will come an it's time to realize
 Our love has finished forever
 How I wish to come with you wish to come with
 you
 How I wish we make it through
 Just one last dance
 Before we say goodbye
 When we sway and turn round and round and
 round
 It's like the first time
 Just one more chance
 Hold me tight and keep me warm
 Cause the night is getting cold
 And I don't know where I belong
 Just one last dance
 The wine and the lights and the Spanish guitar
 I'll never forget how romantic³ they are
 But I know' tomorrow I'll lose the one I love
 There's no way to come with you
 It's the only thing to do
 Just one last dance
 Before we say goodbye
 When we sway⁴ and turn round and round and
 round
 It's like the first time

Just one more chance
 Hold me tight and keep me warm
 Cause the night is getting cold

Valder Fields¹

Sung & Written by Tamas Wells

I was found on the ground by the fountain²
 At valder fields and was almost dry
 Lying in the sun after I had tried
 Lying in the sun by the side
 We had agreed that the council³ would end
 At three hours over time
 Shoelaces were tied⁴ at the traffic lights
 I was running late could apply
 For⁵ another one I guess
 If department stores are best
 They said there would be delays⁶
 Only temporary pay⁷

 She was found on the ground in a gown⁸
 Made at valder fields and was sound asleep⁹
 Stairs¹⁰ outside the door
 To the man who cried
 When he said that he loved his life
 We had agreed that the council should take his keys to the bedroom door
 In case he slept outside and was found in two days

Sung by Alan Walker | Written by Jesper Borgen/Anders Froen/Gunnar Greve/Alan Walker

You were the shadow¹ to my light
 Did you feel us

 You fade away²
 Afraid our aim is out of sight³

Lily

Sung by Alan Walker/K-391/Emelie Hollow | Lyrics by Emelie Hollow | Composed by Alan Walker/...

Lily was a little girl
Afraid of the big wide world
She grew up within her castle¹ walls
Now and then she tried to run
And then on the night with the setting sun²
She went in the woods³ away
So afraid, all alone
They warned her, don't go there
There's creatures⁴ who are hiding in the dark
Then something came creeping⁵
It told her, don't you worry just
Follow everywhere I go
Top over the mountains or valley⁶ low
Give you everything you've been dreaming of
Just let me in, ooh
Everything you wanted in gold
I'll be the magic story you've been told
And you'll be safe under my control
Just let me in, ooh
Just let me in, ooh
She knew she was hypnotized⁷
And walking on the cold thin ice⁸
Then it broke, and she awoke⁹ again
Then she ran faster than
Start screaming¹⁰, is there someone out

there?
Please help me, come get me
Behind her, she can hear it say
Follow everywhere I go

Monsters

Sung by Katie Sky | Written by Catherine Cheadle/The Tune Park

I see your monsters I see your pain
 Tell me your problems I'll chase them away¹
 I'll be your lighthouse²
 I'll make it okay
 When I see your monsters
 I'll stand there so brave
 And chase them all away
 In the dark we we
 We stand apart³ we we
 Never see that the things we need are
 staring right⁴ at⁵ us
 You just wanna hide hide
 Hide never show your smile smile
 Stand alone when you need someone it's the
 hardest thing of all
 That you see are the bad bad
 Bad memories take your time⁶ and you'll
 find me
 I see your monsters I see your pain
 Tell me your problems I'll chase them away
 I'll be your lighthouse I'll make it okay
 When I see your monsters I'll stand there
 so brave
 And chase them all away
 I could see the sky sky
 Sky beautiful tonight night
 When you breathe why can't you see that
 the clouds are in your head
 I would stay there there

There's no need to fear fear
 And when you need to talk it out with
 someone you can trust
 What you see are the bad bad
 Bad memories take your time and you'll find
 me
 I see your monsters I see your pain

 I'll be your lighthouse I'll make it okay
 When I see your monsters I'll stand there

Hero

By Mariah Carey

There's a hero
 If you look inside your heart
 You don't have to be afraid
 Of what you are
 There's an answer
 If you reach into your soul¹
 And the sorrow that you know
 Will melt away²
 And then a hero comes along³
 With the strength⁴ to carry on
 And you cast your fears aside⁵
 And you know you can survive
 So when you feel like hope is gone
 Look inside you and be strong
 And you'll finally see the truth
 That a hero lies in you
 It's a long road
 When you face the world alone
 No one reaches out a hand⁶
 For you to hold
 You can find love
 If you search within yourself
 And the emptiness⁷ you felt
 Will disappear
 And then a hero comes along

With the strength to carry on
 And you cast your fears aside
 And you know you can survive
 So when you feel like hope is gone
 Look inside you and be strong
 And you'll finally see the truth
 That a hero lies in you oh
 Lord knows
 Dreams are hard to follow
 But don't let anyone
 Tear them away⁸
 Hold on
 There will be tomorrow
 In time
 You'll find the way
 And then a hero comes along
 With the strength to carry on
 And you cast your fears aside
 And you know you can survive
 So when you feel like hope is gone
 Look inside you and be strong

Right Here Waiting

Sung & Written by Richard Marx

Oceans apart¹
 Day after day²
 And I slowly go insane³
 I hear your voice on the line
 But it doesn't stop the pain
 If I see you next to never
 How can we say forever
 Wherever you go whatever you do
 I will be right here waiting for you
 Whatever it takes or how my heart breaks
 I will be right⁴ here waiting for you
 I took for granted⁵ all of the times
 That I thought would last somehow
 I hear the laughter I taste the tears
 But I can't get near you now
 Oh can't you see it baby
 You've got me going crazy⁶
 Wherever you go whatever you do
 I will be right here waiting for you
 Whatever it takes or how my heart breaks
 I will be right here waiting for you
 I wonder how we can survive this romance⁷
 But in the end if I'm with you I'll take the chance
 Oh you can't see it baby
 You've got me going crazy

Cry On My Shoulder

Sung by Alexander Klaws/Juliette Schoppmann/Daniel Küblbeck | Lyrics by Dieter Bohlen

If the hero never comes to you
 If you need someone you're feeling blue¹
 If you wait for love and you're alone
 If you call your friends nobody's home
 You can run away but you can't hide
 Through a storm and through a lonely night
 Then I'll show you there's a destiny²
 The best things in life they are free
 But if you wanna cry
 Cry on my shoulder
 If you need someone
 Who cares for you
 If you're feeling sad
 Your heart gets colder
 Yes I show you what real love can do
 If your sky is grey oh let me know
 There's a place in heaven where we'll go
 If heaven is a million years away³
 Oh just call me and I'll make your day⁴
 When the nights are gettin' cold and blue
 When the days are gettin' hard for you

I will always stay here by your side
 I promise you I'll never hide
 But if you wanna cry
 Cry on my shoulder
 If you need someone
 Who cares for you
 If you're feeling sad
 Your heart gets colder
 Yes I show you what real love can do
 But if you wanna cry
 Cry on my shoulder

 Remember first time we met day one
 Kids in the garden' playin' games heaven' fun
 Excitin' and amazin' havin' a real friend of mine
 Feel my heart and for real I am blind
 Face to face and eye to eye
 Usin' our hands to buy and supply¹
 Chillin' is cool from January to June
 And we still stuck together like the glue²
 And know the rules
 Forever you and I and believe it was clear
 If I ever should fall I could count on³ you with no fear
 Runnin' out of time I see who's fake⁴
 Alone without protection from all them snakes

Sung by Michael Bublé | Written by Michael Bublé/Alan Chang/Amy Foster-Gillies

Another summer day
Is come and gone away
In Paris and Rome
But I wanna go home
Maybe surrounded¹ by
A million people I
Still feel all alone
I just wanna go home
Oh I miss you, you know
And I've been keeping
all the letters that I wrote to you
Each one a line or two
I'm fine baby, how are you
Well I would send them but
I know that it's just not enough
My words were cold and flat²
And you deserve³ more than that
Another aeroplane
Another sunny place
I'm lucky I know
But I wanna go home
Mmmm, I've got to go home
Let me go home
I'm just too far from where you are
I wanna come home
And I feel just like

I'm living someone else's life
It's like I just stepped outside⁴
When everything was going right
And I know just why you could not
Come along with me
But this was not your dream
But you always believe in me
Another winter day has come
And gone away
And even Paris and Rome
And I wanna go home
Let me go home
And I'm surrounded by
A million people I
Still feel alone
Oh, let go home
Oh, I miss you, you know
Let me go home

I gotta go home
Let me go home
It will all right
I'll be home tonight
I'm coming back home

You Are My Sunshine

Sung & Written by Jimmie Davis

The other night dear as I lay¹ sleeping
 I dreamed I held you in my arms
 But When I awoke² dear I was mistaken³
 And I hung my head⁴ and cried
 You are my sunshine my only sunshine
 You make me happy when skies are gray
 You'll never know dear how much I love you
 Please don't take my sunshine away
 I'll always love you and made you happy
 If you will only say the same
 But if you leave me to love another
 You'll regret it all some day
 You are my sunshine my only sunshine
 You make me happy when skies are gray
 You'll never know dear how much I love you
 Please don't take my sunshine away
 You told me once dear you really loved me
 And no one else could come between
 But now you've left me and love another
 You have shattered all my dreams
 You are my sunshine my only sunshine
 You make me happy when skies are gray
 You'll never know dear how much I love you
 Please don't take my sunshine away

Fight as ONE

Sung by Eason Chan/Jolin Tsai | Composed by Bingyang Song | Lyrics by Andrew Chu/Eric Kwok/Jerald Chan

It's a crowded street and there's no one
there
Everyone is living in fear
With all the playgrounds I hear no laughters
Everyone has left in tears
Will there be hope when we wake up
tomorrow?
If you believe that love is what we need
Will there be light when we're done with
sorrows?
If you believe we need to fight together as
one
It's a fight we cannot lose
It's a fight for you and me
A fight for everyone, no matter where
you're from
It's alright we will not lose
It's alright for you and me
We're fighting for a better place to be
It's really not that bad if you think about it
For once the world has come together
Could've been much worse, you think about
it

At least we're not fighting one another
There must be hope when we wake up
tomorrow
When you believe that love is what we need
There must be light when we're done with
sorrows
When you believe we need to fight together
as one
It's a fight we cannot lose
It's a fight for you and me
A fight for everyone, no matter where
you're from
It's alright we will not lose
It's alright for you and me
We're fighting for a better place to be
It's a fight we cannot lose
It's a fight for you and me
Everyone, no matter where you're from
It's alright we will not lose
It's alright for you and me
We're fighting for a better place to be
We'll fight together.....as ONE.

Scarborough Fair¹

Sung by Sarah Brightman | Written by Traditional

Are you going to Scarborough Fair
 Parsley sage rosemary and thyme
 Remember me to one² who lives there
 He once was a true love of mine
 Tell him to make me a cambric shirt
 Parsley sage rosemary and thyme
 Without no seams nor needlework³
 Then he'll be a true love of mine
 Tell him to find me an acre of land⁴
 Parsley sage rosemary and thyme
 Between salt water and the sea strands⁵
 Then he'll be a true love of mine
 Tell him to reap⁶ it with a sickle of leather
 Parsley sage rosemary and thyme
 And gather it all in a bunch of heather
 Then he'll be a true love of⁷ mine
 Are you going to Scarborough Fair
 Parsley sage rosemary and thyme
 Remember me to one who lives there
 He once was a true love of mine
