The Sound of Music

Sung By Stephen Moyer/Ariane Rinehart/Michael Nigro/Ella Watts-Gorman | Written by Richard Rod/Oscar Hamme

The hills are alive
With[1] the sound of music
With songs they have sung
For a thousand years
The hills fill my heart
With the sound of music
My heart wants to sing every song it hears
Every song it hears
My heart wants to beat like the wings of the birds
That rise from the lake to the trees to the trees
My heart wants to sigh[2] like a chime[3] that flies
From a church on a breeze[4]
To laugh like a brook[5] when it trips[6] and falls
Over stones in it's way in it's way
To sing through the nights
Like a lark[7] who is learning to prey[8]
I go to the hills
When my heart is lonely
I know I will hear
What I've heard before
My heart will be blessed
With[9] the sound of music
And I'll sing once more

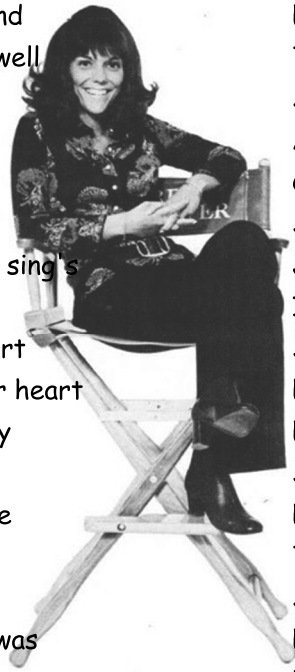
Yesterday Once More

Sung by Carpenters | Written by John Bettis/Richard Carpenter

When I was young
I'd listen to the radio
Waiting for my favorite songs
When they played I'd sing along
It made me smile
Those were such happy times
And not so long ago
How I wondered where they'd gone
But they're back again
Just like a long lost friend
All the songs I loved so well
Every shalalala
Every wo wo oh
Still shines
Every shing-a-ling-a-ling
That they're starting to sing's
So fine
When they get to the part
Where he's breaking her heart
It can really make me cry
Just like before
It's yesterday once more
Shoobidoo wangdang
Shoobidoo wangdang
Looking back on[1] how it was
In years gone by
And the good times that I had
Makes today seem rather[2] sad
So much has changed



It was songs of love that
I would sing to them
And I'd memorize[3] each word
Those old melodies[4]
Still sound so good to me
As they melt the years away[5]
Every shalalala
Every wo wo oh
Still shines
Every shing-a-ling-a-ling
That they're starting to sing's
So fine
All my best memories
Come back clearly to me
Some can even make me cry
Just like before
It's yesterday once more
Shoobidoo wangdang
Every shalalala
Every wo wo oh
Still shines
Every shing-a-ling-a-ling
That they're starting to sing's
So fine
Every shalalala
Every wo wo oh
Still shines
Every shing-a-ling-a-ling
That they're starting to sing's

Beauty and the Beast[1]

Sung by Angela Lansbury

Tale as old as time
True as it can be
Barely even friends
Then somebody bends[2]
Unexpectedly[3]
Just a little change
Small to say the least
Both a little scared
Neither one prepared
Beauty and the beast
Ever just the same
Ever a surprise
Ever as before
Ever just as sure
As the sun will rise
Tale as old as time
Tune[4] as old as song
Bittersweet[5] and strange
Finding you can change
Learning you were wrong
Certain as the sun
Rising in the east
Tale as old as time
Song as old as rhyme[6]
Beauty and the beast
Tale as old as time
Song as old as rhyme
Beauty and the beast

Can You Feel the Love Tonight

Sung by Elton John | Written by Tim Rice/Elton John

There's a calm surrender[1] to the rush of day
When the heat of a rolling wind[2] can be turned away[3]
An enchanted[4] moment, and it sees me through
It's enough for this restless warrior[5] just to be with you
And can you feel the love tonight
It is where we are
It's enough for this wide-eyed[6] wanderer[7]
That we got this far
And can you feel the love tonight
How it's laid to rest[8]
It's enough to make kings and vagabonds[9]
Believe the very best[10]
There's a time for everyone if they only learn
That the twisting kaleidoscope[11] moves us all in turn
There's a rhyme[12] and reason[13] to the wild outdoors
When the heart of this star-crossed[14] voyager beats in time with yours
And can you feel the love tonight
It is where we are
It's enough for this wide-eyed wanderer
That we got this far
And can you feel the love tonight
How it's laid to rest
It's enough to make kings and vagabonds
Believe the very best
It's enough to make kings and vagabonds
Believe the very best

You've Got a Friend in Me

Sung & Written by Randy Newman

You've got a friend in me
You've got a friend in me
When the road looks rough[1] ahead
And you're miles and miles from your nice warm bed
You just remember what your old pal said
Boy you've got a friend in me
Yeah you've got a friend in me
You've got a friend in me
You've got a friend in me
You've got troubles and I've got 'em too
There isn't anything I wouldn't do for you
We stick together[2] and we see it through[3]
'Cause you've got a friend in me
You've got a friend in me
Some other folks[4] might be a little bit smarter than I am
Bigger and stronger too maybe
But none of them will ever love you the way I do
It's me and you boy
And as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me

To Infinity and Beyond!

My Heart Will Go On

Sung by Céline Dion | Written by Will Jennings/James Horner

Every night in my dreams
I see you I feel you
That is how I know you go on
Far across[1] the distance
And spaces[2] between us
You have come to show you go on
Near far wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on
Love can touch us one time
And last for a lifetime
And never let go till we're gone

Love was when I loved you
One true time I hold to
In my life we'll always go on
Near far wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on
You're here there's nothing I fear
And I know that my heart will go on
We'll stay forever this way
You are safe in my heart
And my heart will go on and on

A Thousand Years

Sung by Christina Perri | Written by Christina Perri/David Hodges

Heart beats fast
Colors and promises
How to be brave
How can I love when I'm afraid to fall
But watching you stand alone
All of my doubt suddenly goes away somehow
One step closer
I have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years
I'll love you for a thousand more
Time stands[1] still[2]
Beauty in all she is
I will be brave
I will not let anything take away
What's standing in front of me
Every breath
Every hour has come to this
One step closer
I have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years
I'll love you for a thousand more
And all along I believed I would find you
Time has brought your heart to me
I have loved you for a thousand years
I'll love you for a thousand more
One step closer
One step closer
I have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years
I'll love you for a thousand more
And all along I believed I would find you
Time has brought your heart to me
I have loved you for a thousand years
I'll love you for a thousand more

Let It Go

Sung by Idina Menzel | Written by Robert Lopez/Kristen Anderson-Lopez

The snow glows[1] white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation[2]
And it looks like I'm the queen[3]
The wind is howling[4] like this swirling[5] storm[6] inside
Couldn't keep it in Heaven[7] knows I've tried
Don't let them in don't let them see
Be the good girl you always have to be
Conceal[8] don't feel don't let them know
Well now they know
Let it go let it go
Can't hold it back[9] anymore
Let it go let it go
Turn away[10] and slam the door[11]
I don't care what they're going to say
Let the storm rage on[12]
The cold never bothered[13] me anyway
It's funny how some distance
Makes everything seem small
And the fears that once controlled me
Can't get to me at all

It's time to see what I can do
To test the limits and break through
No right no wrong no rules for me
I'm free
Let it go let it go
I'm one with the wind and sky
Let it go let it go
You'll never see me cry
Here I stand and here I'll stay
Let the storm rage on
My power flurries[14] through the air into the ground
My soul is spiraling[15] in frozen fractals[16] all around
And one thought crystallizes[17] like an icy blast[18]
I'm never going back the past is in the past
Let it go let it go
When I'll rise like the break of dawn
Let it go let it go
That perfect girl is gone
Here I stand in the light of day
Let the storm rage on
The cold never bothered me anyway

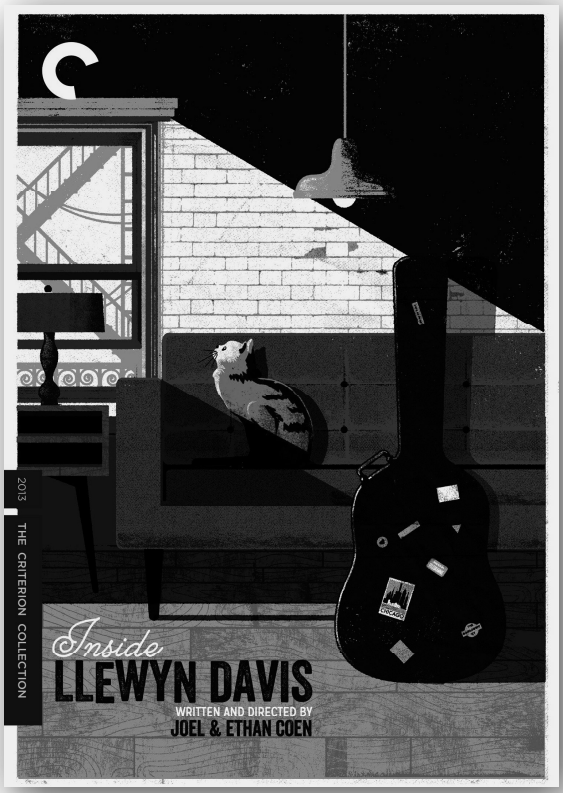
Five Hundred Miles

Sung & Written by Justin Timberlake/Carey Mulligan/Stark Sands

If you missed the train I'm on
You will know that I am gone
You can hear the whistle blow[1] a hundred miles
A hundred miles a hundred miles
A hundred miles a hundred miles
You can hear the whistle blow a hundred miles
Lord I'm one Lord I'm two
Lord I'm three Lord I'm four
Lord I'm five hundred miles away from home
Away from home away from home
Away from home away from home
Lord I'm five hundred miles away from home
Not a shirt on my back
Not a penny[2] to my name[3][4]
Lord I can't go back home this-a way
This-a way this-a way
This-a way this-a way
Lord I can't go back home this-a way
If you missed the train I'm on
You will know that I am gone
You can hear the whistle blow a hundred miles
A hundred miles
A hundred miles
A hundred miles
A hundred miles
You can hear the whistle blow a hundred miles
You can hear the whistle blow a hundred miles
You can hear the whistle blow a hundred miles



你听那绵延百里的汽笛，声无止息。
踏上人生的火车，永远不知道下一站在哪里。
离别，再无归期。
声声汽笛，一如我的叹息。

See you again

Sung by Wiz Khalifa/Charlie Puth | Written by Justin Franks/Charlie Puth/Cameron Thomaz/Sage The Gemini

It's been a long day without you my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh I'll tell you all about it when I see you again
When I see you again

Damn who knew all the planes we flew
Good things we've been through
That I'd be standing right[1] here
Talking to you about another path
I know we loved to hit the road and laugh
But something told me that it wouldn't last[2]
Had to switch[3] up look at things different see the bigger picture
Those were the days hard work forever pays[4]
Now I see you in a better place
How could we not talk about family when family's all that we got?
Everything I went through you were standing there by my side
And now you gon' be with me for the last ride

It's been a long day without you my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh I'll tell you all about it when I see you again
When I see you again
First you both go out your way
And the vibe[5] is feeling strong and what's small turn to a friendship
a friendship turn to a bond and
that bond[6] will never be broken the love will never get lost
And when brotherhood[7] come first then the line
Will never be crossed[8] established[9] it on our own
When that line had to be drawn and that line is what we reach
So remember me when I'm gone
How could we not talk about family when family's all that we got?
Everything I went through you were standing there by my side
And now you gon' be with me for the last ride
So let the light guide your way
Hold every memory as you go
And every road you take will always lead you home
Hoo
It's been a long day without you my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh I'll tell you all about it when I see you again
When I see you again
Again
When I see you again see you again
When I see you again

Flashlight[1]

Sung by Jessie J | Written by Sia Furler/Sam Smith/Jason Moore/Christian Guzman

When tomorrow comes I'll be on my own
Feeling frightened of the things that I don't know
When tomorrow comes
Tomorrow comes
Tomorrow comes
And though the road is long
I look up to the sky
And in the dark I found lost hope that I won't fly
And I sing along[2] I sing along then I sing along
I got all I need when I got you and I
I look around me and see a sweet life
I'm stuck in[3] the dark but you're my flashlight
You're gettin' me gettin' me through the night
Kick start my heart when you shine it in my eyes
Can't lie it's a sweet life
I'm stuck in the dark but you're my flashlight
You're gettin' me gettin' me through the night
'Cause you're my flashlight
You're my flashlight you're my flashlight oh
I see the shadows[4] long beneath[5] the mountain top
I'm not afraid when the rain won't stop
'Cause you light the way[6]
You light the way you light the way
I got all I need when I got you and I
I look around me and see a sweet life

Try Everything

Sung by Shakira | Written by Sia Furler/Mikkel Eriksen/Tor Erik Hermansen

Oh oh oh oh oooh
Oh oh oh oh oooh
Oh oh oh oh oooh
Oh oh oh oh oooh
I messed up[1] tonight I lost another fight
I still mess up but I'll just start again
I keep falling down I keep on hitting the ground
I always get up now to see what's next
Birds don't just fly they fall down and get up
Nobody learns without getting it wrong
I won't give up no I won't give in
Til I reach the end and then I'll start again
No I won't leave I wanna try everything
I wanna try even though I could fail
I won't give up no I won't give in[2]
Til I reach the end and then I'll start again
No I won't leave I wanna try everything
I wanna try even though I could fail
Oh oh oh oh oooh
Try everything
Oh oh oh oh oooh
Try everything
Oh oh oh oh oooh
Try everything
Oh oh oh oh oooh

Look at how far you've come you filled your heart with love
Baby you've done enough take a deep breath[3]
Don't beat yourself up[4] don't need to run so fast
Sometimes we come last but we did our best
I won't give up no I won't give in
Til I reach the end and then I'll start again
No I won't leave I wanna try everything
I wanna try even though I could fail
I won't give up no I won't give in
Til I reach the end and then I'll start again
No I won't leave I wanna try everything
I wanna try even though I could fail
I'll keep on making those new mistakes
I'll keep on making them every day
Those new mistakes
Oh oh oh oh oooh
Try everything
Oh oh oh oh oooh
Try everything
Oh oh oh oh oooh
Try everything
Oh oh oh oh oooh

Legend of Everfree[1]

Sung by Twilight Sparkle/Sunset Shimmer/Rainbow Dash/Apple Jack[2] | Written by Daniel Ingram

Will you be lost by time or be part of history
Will your story be told or remain a mystery[3]
Will they sing your song tell them all that you have done
Time to make your choice only you can be the one
Oh oh oh oh woah
As you join in the legend of everfree hey
Oh oh oh oh woah
As you join in the legend of everfree
Hey hey hey
Will you do something great with the time that you have here
Will you make your mark[4] will you conquer[5] what you fear
And when you go back home everybody there will see
You were part of the legend of everfree
Oh oh oh oh woah
As you join in the legend of everfree hey
Oh oh oh oh woah
As you join in the legend of everfree hey
Will you find your greatest glory[6] will you be a falling star
Here you'll learn what nature teaches
Here you'll learn more who you are
Will you be lost by time or be part of history
Will your story be told or remain a mystery
And when you go back home everybody there will see
You were part of the legend of everfree
Oh oh oh oh woah
As you join in the legend of everfree hey
Oh oh oh oh woah
As you join in the legend of everfree hey

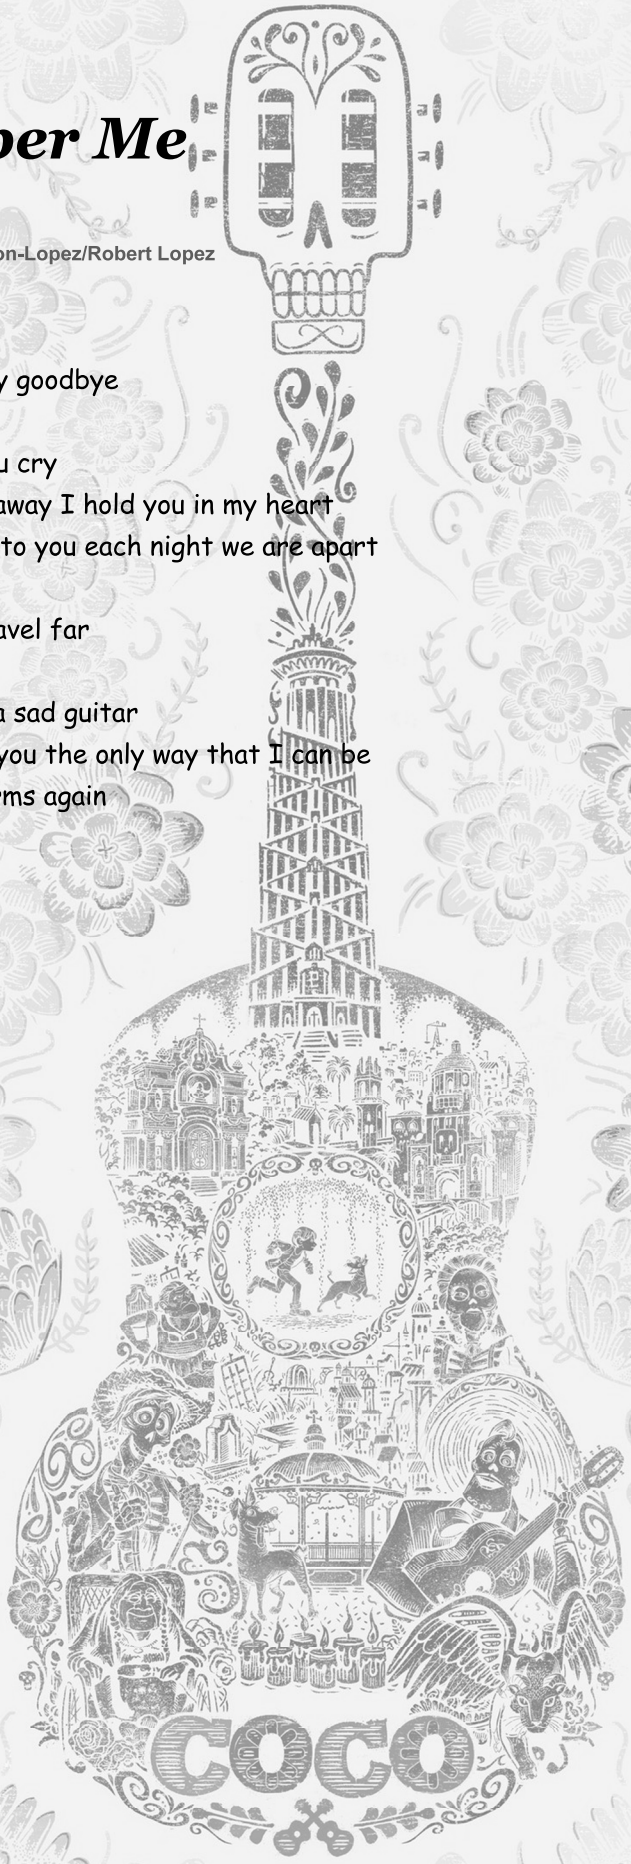
Remember Me

Written by Kristen Anderson-Lopez/Robert Lopez

Remember me
Though I have to say goodbye
Remember me
Don't let it make you cry
For even if I'm far away I hold you in my heart
I sing a secret song to you each night we are apart
Remember me
Though I have to travel far
Remember me
Each time you hear a sad guitar
Know that I'm with you the only way that I can be
Until you're in my arms again
Remember me



The Place Where Lost Things Go

Sung by Emily Blunt | Lyrics by Marc Shaiman/Scott Wittman | Composed by Marc Shaiman

Do you ever lie
Awake[1] at night
Just between the dark
And the morning light
Searching for the things
You used to know
Looking for the place
Where the lost things go
Do you ever dream
Or reminisce[2]
Wondering where to find
What you truly miss
Well maybe all those things
That you love so
Are waiting in the place
Where the lost things go
Memories you've shed[3]
Gone for good[4] you feared
They're all around you still
Though they've disappeared
Nothing's really left
Or lost without a trace[5]
Nothing's gone forever
Only out of place
So maybe now the dish[6]
And my best spoon[7]
Are playing hide and seek[8]
Just behind the moon
Waiting there until
It's time to show
Spring is like that now
Far beneath[9] the snow
Hiding in the place
Where the lost things go
Time to close your eyes
So sleep can come around
For when you dream you'll find
All that's lost is found
Maybe on the moon
Or maybe somewhere new
Maybe all you're missing lives inside of you
So when you need her touch
And loving gaze[10]
Gone but not forgotten
Is the perfect phrase
Smiling from a star
That she makes glow
Trust she's always there
Watching as you grow
Find her in the place
Where the lost things go

Dream It Possible

Sung by Delacey | Written by Andy Love

I will run I will climb I will soar[1]
I'm undefeated[2]
Jumping out of my skin pull the chord[3]
Yeah I believe it
The past is everything we were don't make us who we are
So I'll dream until I make it real and all I see is stars
It's not until you fall that you fly
When your dreams come alive you're unstoppable[4]
Take a shot chase[5] the sun find the beautiful
We will glow[6] in the dark turning dust to gold
And we'll dream it possible
Possible
And we'll dream it possible
I will chase I will reach I will fly
Until I'm breaking until I'm breaking
Out of my cage like a bird in the night
I know I'm changing I know I'm changing
In into something big better than before
And if it takes takes a thousand lives
Then it's worth fighting for
It's not until you fall that you fly
When your dreams come alive you're unstoppable
Take a shot chase the sun find the beautiful
We will glow in the dark turning dust to gold
And we'll dream it possible
It possible
From the bottom to the top
We're sparking[7] wild fire's
Never quit[8] and never stop
The rest of our lives
From the bottom to the top
We're sparking wild fire's
Never quit and never stop
It's not until you fall that you fly
When your dreams come alive you're unstoppable
Take a shot chase the sun find the beautiful
We will glow in the dark turning dust[9] to gold
And we'll dream it possible
Possible

Can't Help Falling In Love

Sung by **Elvis Presley**[1] | **Written by George Weiss/Hugo Peretti/Luigi Creatore**

Wise men say only fools rush in
But I can't help falling in love with you
Shall I stay
Would it be a sin[2]
If I can't help falling in love with you
Like a river flows surely to the sea
Darling so it goes
Some things are meant to be
Take my hand take my whole life too
For I can't help falling in love with you
Like a river flows surely to the sea
Darling so it goes
Some things are meant to be
Take my hand take my whole life too
For I can't help falling in love with you
For I can't help falling in love with you

I'm So Lonesome I Could Cry

Sung by Elvis Presley | Written by Hank Williams

Hear that lonesome[1] winter bird
He sounds too blue to fly
The midnight train is whining[2] low
I'm so lonesome I could cry
Did you ever see a robin[3] weep[4]
When leaves began to die
That means he's lost the will to live
I'm so lonesome I could cry
The silence of a falling star
Lights up a purple sky
And as I wonder where you are
I'm so lonesome I could cry
I'm so lonesome I could cry

"I'd like to sing a song that's...
probably the saddest song I've ever heard.

Before Elvis,
There was nothing.

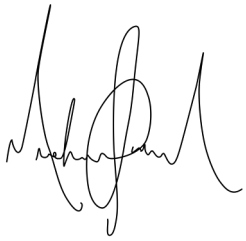
You Are Not Alone



Sung by Michael Jackson | Written by R. Kelly

Another day has gone
I'm still all alone
How could this be
You're not here with me
You never said goodbye
Someone tell me why
Did you have to go
And leave my world so cold
Every day I sit and ask myself
How did love slip away[1]
Something whispers in my ear and says
That you are not alone
I am here with you
Though you're far away
I am here to stay
But you are not alone
I am here with you
Though we're far apart
You're always in my heart
But you are not alone
'Lone 'lone
Why 'lone
Just the other night
I thought I heard you cry
Asking me to come
And hold you in my arms
I can hear your prayers[2]
Your burdens I will bear
But first I need your hand
Then forever can begin
Every day I sit and ask myself

How did love slip away
Something whispers in my ear and says
That you are not alone
I am here with you
Though you're far away
I am here to stay
But you are not alone
I am here with you
Though we're far apart
You're always in my heart
But you are not alone
Whisper three words and I'll come running
And girl you know that I'll be there
I'll be there
That you are not alone
I am here with you
Though you're far away
I am here to stay
But you are not alone
I am here with you
Though we're far apart
You're always in my heart
But you are not alone
That you are not alone
I am here with you
Though you're far away
I am here to stay
But you are not alone
I am here with you
Though we're far apart
You're always in my heart

Heal The World[1]

Sung by Michael Jackson | Written by Michael Jackson/Marty Paich

There's a place in your heart
And I know that it is love
And this place could be much
Brighter than tomorrow
And if you really try
You'll find there's no need to cry
In this place you'll feel
There's no hurt or sorrow[2]
There are ways to get there
If you care enough for the living[3]
Make a little space[4]
Make a better place
Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for me
If you want to know why
There's a love that cannot lie
Love is strong
It only cares for joyful giving[5]
If we try we shall see
In this bliss[6] we cannot feel
Fear or dread[7]
We stop existing and start living
Then it feels that always
Love's enough for us growing
So make a better world
To make a better world
Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place for you and for me
And the dream we were conceived[8] in
Will reveal[9] a joyful face
And the world we once believed in
Will shine again in grace[10]
Then why do we keep strangling[11] life
Wound[12] this earth crucify[13] its soul
Though it's plain[14] to see
This world is heavenly[15]
Be god's glow[16]
We could fly so high
Let our spirits never die
In my heart I feel you are all my brothers
Create a world with no fear
Together we'll cry happy tears
See the nations turn their swords[17] into ploughshares[18]
We could really get there

Hey Jude

Sung by The Beatles | Written by John Lennon/Paul McCartney

Hey Jude don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better
Hey Jude don't be afraid
You were made to go out and get her
The minute[1] you let her under your skin
Then you begin to make it better
And anytime you feel the pain hey Jude refrain[2]
Don't carry the world upon your shoulders
For well you know that it's a fool who plays it cool
By making his world a little colder
Na na na na na na na na na
Hey Jude don't let me down
You have found her now go and get her
Remember to let her into your heart
Then you can start to make it better
So let it out[3] and let it in hey Jude begin
You're waiting for someone to perform with
And don't you know that it's just you hey Jude you'll do
The movement you need is on your shoulder
Na na na na na na na na na yeah

Hey Jude don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it
Better better better better better better
oh
Na na na na na na na na na na na hey Jude
Na na na na na na na na na na na hey Jude
Na na na na na na na na na na na hey Jude
Na na na na na na na na na na na hey Jude

My Love

Sung by Westlife[1] | Written by Jörgen Elofsson/Pelle Nylén/Per Magnusson/David Kreuger

An empty street an empty house
A hole inside my heart
I'm all alone the rooms are getting smaller
I wonder how I wonder why
I wonder where they are
The days we had the songs we sang together
Oh yeah
And oh my love
I'm holding on forever
Reaching for the love that seems so far
So I say a little prayer[2]
And hope my dreams will take me there
Where the skies are blue
To see you once again my love
Overseas from coast to coast
To find a place I love the most
Where the fields are green
To see you once again my love
I try to read I go to work
I'm laughing with my friends
But I can't stop to keep myself from thinking[3] oh no
I wonder how I wonder why
I wonder where they are
The days we had the songs we sang together
Oh yeah
And oh my love
I'm holding on forever
Reaching for the love that seems so far
So I say a little prayer
And hope my dreams will take me there
Where the skies are blue
To see you once again my love
Overseas from coast to coast
To find a place I love the most
Where the fields are green
To see you once again
To hold you in my arms
To promise you my love
To tell you from the heart
You're all I'm thinking of
I'm reaching for the love that seem so far
So
So I say a little prayer
And hope my dreams will take me there
Where the skies are blue
To see you once again my love
Overseas from coast to coast
To find a place I love the most
Where the fields are green
To see you once again
My love
Say a little prayer
My sweet love
Dreams will take me there
Where the skies are blue
To see you once again
Oh my love
Overseas from coast to coast
To find a place I love the most
Where the fields are green
To see you once again my love

Seasons In The Sun

Sung by Westlife | Written by Jacques Brel

Goodbye to you my trusted friend[1]
We've known each other since we were nine or ten
Together we've climb hills and trees
Learned of love and ABC's
Skinned[2] our hearts and skinned our knees
Goodbye my friend it's hard to die
When all the birds are singing in the sky
Now the spring is in the air
Pretty[3] girls are everywhere
Think of me and I'll be there
We had joy we had fun
We had seasons in the sun
But the hills that we climb
Were just seasons out of time[4]
Goodbye papa please pray for me
I was the black sheep[5] of the family
You tried to teach me right from wrong[6]
Too much wine and too much song
Wonder how i got along
Goodbye papa it's hard to die
When all the birds are singing in the sky
Now that the spring is in the air
Little children are everywhere
When you see them i'll be there
We had joy we had fun
We had seasons in the sun
But the wine and the song
Like the seasons have all gone
We had joy we had fun
We had seasons in the sun
But the wine and the song
Like the seasons have all gone
Yeah
Goodbye Michelle my little one
You gave me love and help me find the sun
And every time that I was down[7]
You would always come around
And get my feet back on the ground
Goodbye Michelle it's hard to die
When all the birds are singing in the sky
Now that the spring is in the air
With the flowers everywhere
I wish that we could both be there
We had joy we had fun
We had seasons in the sun
But the hills that we climb
Were just seasons out of time
We had joy we had fun
We had seasons in the sun
But the wine and the song
Like the seasons have all gone
We had joy we had fun
We had seasons in the sun
But the hills that we climb
Were just seasons out of time
We had joy we had fun
We had seasons in the sun
But the wine and the song
Like the seasons have all gone

Soledad[1]

Sung by Westlife | Written by Rami Yacoub/Andreas Carlsson/K.C. Porter

If only[2] you could see the tears
In the world you left behind
If only you could heal my heart
Just one more time
Even when I close my eyes
There's an image[3] of your face
And once again I come to realise
You're a loss I can't replace[4]
Soledad
It's a keeping for the lonely
Since the day that you were gone
Why did you leave me
Soledad
In my heart you were the only
And your memory lives on[5]
Why did you leave me
Soledad
Walking down the streets of Nothingville
Where our love was young and free
Can't believe just what an empty place
It has come to be
I would give my life away[6]
If it could only be the same
Cause I can't still the voice inside of me
That is calling out your name
Soledad
Soledad
It's a keeping for the lonely
Since the day that you were gone
You were gone
Why did you leave me
Soledad
In my heart you were the only
And your memory lives on
Why did you leave me
Soledad
Time will never change the things you told me
After all we're meant to be
Love will bring us back to you and me
If only you could see
Soledad
Soledad
It's a keeping for the lonely
Since the day that you were gone
You were gone
Why did you leave me
Soledad
In my heart you were the only
And your memory lives on
Why did you leave me
Soledad
It's a keeping for the lonely
Since the day that you were gone
Why did you leave me
Soledad
In my heart you were the only
And your memory lives on
Why did you leave me
Soledad
Why did you leave me

You Raise Me Up[1]

Sung by Westlife | Written by James Horner/Brendan Graham/Rolf Løvland/Dave Arch

When I am down[2]
And oh my soul so weary[3]
When troubles come
And my heart burdened be
Then I am still[4]
And wait here in the silence
Until you come
And sit awhile[5] with me
You raise me up
So I can stand on mountains
You raise me up
To walk on stormy seas[6]
I am strong
When I am on your shoulders
You raise me up
To more than I can be
You raise me up
So I can stand on mountains
You raise me up
To walk on stormy seas
I am strong
When I am on your shoulders
You raise me up
To more than I can be
You raise me up
So I can stand on mountains
You raise me up
To walk on stormy seas
I am strong
When I am on your shoulders
You raise me up

You raise me up

Pretty[1] Boy

Sung by M2M[2] | Written by Marit/Marion

I lie awake[3] at night
See things in black and white
I've only get you inside my mind
You know you have made me blind
I lie awake and pray
That you will look my way
I have all this longing[4] in my heart
I knew it right from the start
Oh my pretty pretty boy I love you
Like I never ever loved no one before you
Pretty pretty boy of mine
Just tell me you love me too
Oh my pretty pretty boy
I need you
Oh my pretty pretty boy I do
Let me inside
Make me stay right beside you
I used to[5] write your name
And put it in a frame[6]
And sometimes I think I hear you call
Right from my bedroom wall
You stay a little while
And touch me with your smile
And what can I say to make you mine
To reach out for you in time[7]
Oh my pretty pretty boy I love you
Like I never ever loved no one before you
Pretty pretty boy of mine
Just tell me you love me too
Oh my pretty pretty boy
I need you
Oh my pretty pretty boy I do
Let me inside
Make me stay right beside you
Oh pretty boy
Say you love me too
Oh my pretty pretty boy I love you

The Day You Went Away

Sung by M2M | Written by Marion Raven/Marit Larsen and Matt Rowe

Well I wonder could it be
When I was dreaming 'bout you baby
You were dreaming of me
Call me crazy call me blind
To still be suffering is stupid after all of this time
Did I lose my love to someone better
And does she love you like I do
I do you know I really really do
Well hey
So much I need to say
Been lonely since the day
The day you went away
So sad but true
For me there's only you
Been crying since the day
The day you went away
I remember date and time
September twenty second
Sunday twenty-five after nine
In the doorway[1] with your case[2]
No longer shouting at each other
There were tears on our faces
And we were letting go of[3] something special
Something we'll never have again
I know I guess I really really know
Well hey
So much I need to say
Been lonely since the day
The day you went away
So sad but true
For me there's only you
Been crying since the day
The day you went away
The day you went away
The day you went away
Did I lose my love to someone better
And does she love you like I do
I do you know I really really do
Well hey
So much I need to say
Been lonely since the day
The day you went away
So sad but true
For me there's only you
Been crying since the day
The day you went away
Why do we never know what we've got 'til it's gone
How could I carry on[4]
The day you went away
Cause I've been missing you so much I have to say
Been crying since the day
The day you went away
The day you went away
The day you went away

Apologize[1]

Sung by OneRepublic[2] | Written by Ryan Tedder

I'm holding on your rope[3]
Got me ten feet off the ground[4]
And I'm hearing what you say
But I just can't make a sound
You tell me that you need me
Then you go and cut me down[5]
But wait
You tell me that you're sorry
Didn't think I'd turn around[6] and say
That it's too late to apologize
It's too late
I said it's too late to apologize
It's too late
Too late
Oh oh
I'd take another chance take a fall
Take a shot for you
Oh oh
I need you like a heart
Needs a beat
But it's nothing new
Yeah yeah
I loved you with the fire red
Now it's turning blue and you say
Sorry like the angel
Heaven let me think was you
But I'm afraid
It's too late to apologize
It's too late
I said it's too late to apologize
It's too late
Oh
It's too late to apologize
It's too late
I said it's too late to apologize

Counting Stars

Sung by OneRepublic | Written by Ryan Tedder

Lately I've been I've been losing sleep
Dreaming about the things that we could be
But baby I've been I've been praying hard
Said no more counting dollars
We'll be counting stars
Yeah we'll be counting stars
I see this life like a swinging vine[1]
Swing[2] my heart across the line
In my face is flashing[3] signs
Seek it out[4] and ye' shall find
Old but I'm not that old
Young but I'm not that bold[5]
And I don't think the world is sold
On just doing what we're told
I I I I feel something so right
Doing the wrong thing
I I I I feel something so wrong
Doing the right thing
I couldn't lie couldn't lie couldn't lie
Everything that kills me makes me feel alive
Lately I've been I've been losing sleep
Dreaming about the things that we could be
But baby I've been I've been praying hard
Said no more counting dollars
We'll be counting stars
Lately I've been I've been losing sleep
Dreaming about the things that we could be
But baby I've been I've been praying hard
Said no more counting dollars
We'll be we'll be counting stars
I feel the love and I feel it burn
Down this river every turn
Hope is our four-letter word
Make that money watch it burn
Old but I'm not that old
Young but I'm not that bold
And I don't think the world is sold
On just doing what we're told
I I I I feel something so wrong
Doing the right thing
I couldn't lie couldn't lie couldn't lie
Everything that drowns[6] me makes me wanna fly
Lately I've been I've been losing sleep

Until You

Sung by Shayne Ward | Written by Arnthor Birgisson/Rami Yacoub/Savan Kotecha

Baby life was good to me
But you just made it better
I love the way you stand by me
Through any kind of weather
I don't wanna run away just wanna make your day
When you feel the world is on your shoulders
Don't wanna make it worse just wanna make us work
Baby tell me I will do whatever
It feels like nobody ever knew me until you knew me
Feels like nobody ever loved me until you loved me
Feels like nobody ever touched me until you touched me
Baby nobody nobody until you
Baby it just took one hit of you[1]
Now I'm addicted[2]
You never know what's missing
Till you get everything you needed
I don't wanna run away just wanna make your day
When you feel the world is on your shoulders
I don't wanna make it worse just wanna make us work
Baby tell me I will do whatever
It feels like nobody ever knew me until you knew me
Feels like nobody ever loved me until you loved me
Feels like nobody ever touched me until you touched me
Baby nobody nobody until you
See it was enough to know if I ever let you go
I would be no one
'Cause I never thought I'd feel all the things you made me feel
Wasn't looking for someone oh until you
It feels like nobody ever knew me until you knew me
Feels like nobody ever loved me until you loved me
Feels like nobody ever touched me until you touched me
Baby nobody nobody

Battles and Wastelands

By Neo Retros

Deep magical trees murmuring[1] breeze[2] carry me home
Tell stories of hope hope there's a light
Tight[3] energy thieves laying their wreaths[4] outside unmarked[5] doors
A war is just a recourse to show that we're bored
Battles and wastelands battles and wastelands in me
Magical tree where nobody grieves[6] the island I see
Battles and wastelands battles and wastelands in me
Magical tree where nobody grieves the island I see is in me
Poor tourist you're lost you're just a cost[7] to average man[8]
A plan leads to a plan and you're told that you can
You can be just who you want be what you feel be someone real
Climb high to excess[9] and you'll be a success
Battles and wastelands battles and wastelands in me
Magical tree where nobody grieves the island I see
Battles and wastelands battles and wastelands in me
Magical tree where nobody grieves the island I see is in me
Battles and wastelands battles and wastelands in me
Magical tree where nobody grieves the island I see
Battles and wastelands battles and wastelands in me
Magical tree where nobody grieves the island I see is in me

The Sandman[1]

Sung by Neo Retros | Written by Gareth Saunders

Sandman sprinkle[2] your sand
Send me away from this land
Century's gone
Battle's been won
But mostly my life's out of hand
Sandman shut off[3] this world
Maybe someday I'll be good
Will you help me
Sink into sleep[4]
Away from the cruel mockingbirds[5]
Sandman come back tonight
In my dreams there'll be someone by my side
Sandman end all this pain
While my mind spins[6] across the Milky Way[7]
Paper bag people don't care
Gasping[8] my last breath of air[9]
The sandman found peace
In some far-off dream[10]
And I don't have to be to just be
Sandman come back tonight
In my dreams there'll be someone by my side
Sandman end all the pain
While my mind spins across the milky way
Sandman come back tonight
In my dreams there'll be someone by my side
Sandman end all my pain
While my mind spins across the milky way
Sandman come back tonight
In my dreams there'll be someone by my side
Sandman end all my pain
While my mind spins across the milky way

Dancing With Your Ghost

Sung & Written by Sasha Sloan

Yelling at[1] the sky
Screaming at the world
Baby why'd you go away
I'm still your girl
Holding on too tight[2]
Head up[3] in the clouds
Heaven only knows where you are now
How do I love how do I love again
How do I trust how do I trust again
I stay up all night
Tell myself I'm alright
Baby you're just harder to see than most
I put the record on[4]
Wait 'til I hear our song
Every night I'm dancing with your ghost
Every night I'm dancing with your ghost
Never got the chance
To say your last goodbye
I gotta move on
But it hurts to try

How do I love how do I love again
How do I trust how do I trust again
I stay up all night
Tell myself I'm alright
Baby you're just harder to see than most
I put the record on
Wait 'til I hear our song
Every night I'm dancing with your ghost
Every night I'm dancing with your ghost
How do I love how do I love again
How do I trust how do I trust again
I stay up all night
Tell myself I'm alright
Baby you're just harder to see than most
I put the record on

Something Just Like This

THE CHAINSMOKERS

Sung by The Chainsmokers/Coldplay

Written by Andrew Taggart/Christopher Martin/Guy Berryman/Jonny Buckland/Will Champion

I've been reading books of old
The legends and the myths[1]
Achilles and his gold
Hercules and his gifts
Spiderman's control
And Batman with his fists[2]
And clearly I don't see myself upon that list
she said, where'd you wanna go?
How much you wanna risk?
I'm not looking for somebody
With some superhuman gifts
Some superhero
Some fairytale bliss[3]
Just something I can turn to
Somebody I can kiss
I want something just like this
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo
Doo-doo-doo, doo-doo-doo
Oh I want something just like this
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo
Doo-doo-doo, doo-doo-doo
Oh I want something just like this
I want something just like this
I've been reading books of old
The legends and the myths
The testaments[4] they told
The moon and its eclipse[5]
And Superman unrolls[6]
A suit before he lifts
But I'm not the kind of person that it fits
She said, where'd you wanna go?
How much you wanna risk?
I'm not looking for somebody
With some superhuman gifts
Some superhero
Some fairytale bliss
Just something I can turn to
Somebody I can miss
I want something just like this
I want something just like this
Oh I want something just like this
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo
Doo-doo-doo, doo-doo-doo
Oh I want something just like this
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo
Doo-doo-doo, doo-doo-doo
Where'd you wanna go?
How much you wanna risk?
I'm not looking for somebody
With some superhuman gifts
Some superhero

Just something I can turn to

Big Big World

Sung by Emilia Rydberg | Written by Emilia Rydberg/Lasse Anderson

I'm a big big girl
In a big big world
It's not a big big thing
If you leave me
But I do do feel
That I do do will
Miss you much
Miss you much
I can see the first leaf falling
It's all yellow and nice
It's so very cold outside
Like the way I'm feeling inside
I'm a big big girl
In a big big world
It's not a big big thing
If you leave me
But I do do feel
That I do do will
Miss you much
Miss you much
Outside it's now raining
And tears are falling from my eyes
Why did it have to happen
Why did it all have to end
I'm a big big girl
In a big big world
It's not a big big thing
If you leave me
But I do do feel
That I do do will
Miss you much
Miss you much
I have your arms around me
Warm like fire
But when I open my eyes
You're gone
I'm a big big girl
In a big big world
It's not a big big thing
If you leave me
But I do do feel
That I do do will
Miss you much
Miss you much
I'm a big big girl
In a big big world
It's not a big big thing
If you leave me
But I do feel I will
Miss you much
Miss you much

She

By Groove Coverage[1]

She hangs out[2] every day near by the beach
Havin'a harnican fallin'asleep
She looks so sexy when she's walking the sand[3]
Nobody ever put a ring on her hand
Swim to the oceanshore fish in the sea
She is the story the story is she
She sings to the moon and the stars in the sky
Shining from high above you shouldn't ask why
She is the one that you never forget
She is the heaven-sent angel you met
Oh she must be the reason why God made a girl
She is so pretty all over the world
She puts the rhythm[4] the beat in the drum
She comes in the morning and the evening she's gone
Every little hour every second[5] you live
Trust in eternity[6] that's what she gives
She looks like Marilyn walks like Suzanne
She talks like Monica and Marianne
She wins in everything that she might do
And she will respect you forever just you
She is the one that you never forget
She is the heaven-sent angel you met
Oh she must be the reason why God made a girl
She is so pretty all over the world
She is so pretty all over the world
She is so pretty
She is like you and me
Like them like we
She is in you and me
She is the one that you never forget
She is the heaven-sent angel you met
Oh she must be the reason why God made a girl
She is so pretty all over the world
She is the one
She is the one that you never forget
She is the heaven-sent angel you met
Oh she must be the reason why God made a girl
She is so pretty all over the world oh

Raindrops

By Eliane

Now another year has come
Like the last and the one before
I'm waiting in the cabin[1] by the shore[2]
When the night comes crawling[3] in
Bells[4] chimes[5] and tamber[6] ring[7]
I thought I heard you knocking on the door
Hear the drops of drizzle[8] time
About the long gone fairytale
I let them know my wish again
Raindrops falling on the rooftop
And again they bring up
All the lone gone memories
Raindrops falling on the rooftop
I will never give up
Hope I will meet you here
Last year I'm the one before
In the cabin by the shore
You gave mud[9] hut[10] chamber[11] change the breadth[12]
Remember how we scratched[13] the names
In the tree right[14] by the lake
I went over to see if it's still there
When you hear the bells from far
I'll be waiting there in the dark
And send my wish upon a star
Raindrops falling on the rooftop
And again they bring up
All the lone gone memories
Raindrops falling on the rooftop
I will never give up
Hope I will meet you here
Happy end of every year
You will find me waiting here
For you to come along
Right down to the shore
Oooooh
Raindrops falling on the rooftop
And again they bring up
All the lone gone memories
Raindrops falling on the rooftop
I will never give up
Hope I will meet you here

Could This Be Love

By Victoria Acosta

Woke up[1] this morning
Just sat in my bed
8 a.m. first thing in my head
Is a certain[2] someone
Who's always on my mind
He treats me like a lady in every way
He smiles and warms me through up the day
Should I tell him I love you
Wish I knew what to say
Could this be love that I feel
So strong so deep and so real
If I lost you would I ever heal
Could this be love that I feel
Could this be love that I feel
So strong so deep and so real
If I lost you would I ever heal
Could this be love that I feel
The way he looks
So deep in my eyes
Our hearts are so warm
I just wanna cry
Then he's so hardworking
He wants to be someone
Should I tell him that I love you
What if[3] he doesn't say it too
I'm getting so nervous
What should I do
Could this be love that I feel
So strong so deep and so real
If I lost you would I ever heal
Could this be love that I feel
Could this be love that I feel
So strong so deep and so real
If I lost you would I ever heal
Could this be love that I feel
Will it be my turn
Two hearts beating together as one
No more loneliness[4]
Only love laughter and fun
Could this be love that I feel
So strong so deep and so real
If I lost you would I ever heal
Could this be love that I feel
Could this be love that I feel
So strong so deep and so real
If I lost you would I ever heal
Could this be love that I feel
Could this be love that I feel

Only Love

By Trademark

Two a.m. and the rain is falling
Here we are at the crossroads[1] once again
You're telling me you're so confused
You can't make up your mind[2]
This is meant to[3] be you're asking me
But only love can say
Try again or walk away
But I believe for you and me
The sun will shine[4] one day
So I'll just play me part
And pray[5] you'll have a change of heart
But I can't make you see it through[6]
That's something only love can do
In your arm as the dawn is breaking[7]
Face to face and a thousand mines apart[8]
I've tried my best to make you see
There's hope beyond the pain
If we give enough if we learn to trust
But only love can say
Try again or walk away
But I believe for you and me
The sun will shine one day
So I'll just play me part
And pray you'll have a change of heart
But I can't make you see it through
That's something only love can do
I know if I could find the words
To touch you deep inside
You'd give our dream just one more chance
Don't let this be our goodbye
But only love can say
Try again or walk away
But I believe for you and me
The sun will shine one day
So I'll just play me part
And pray you'll have a change of heart
But I can't make you see it through
That's something only love can do

Lemon Tree

Sung & Written by Fool's Garden

I'm sittin' here in the boring room
It's just another rainy Sunday afternoon
I'm wastin' my time I got nothin' to do
I'm hangin' around[1] I'm waitin' for you
But nothing ever happens and I wonder
I'm drivin' around in my car
I'm drivin' too fast I'm drivin' too far
I'd like to change my point of view[2]
I feel so lonely I'm waitin' for you
But nothing ever happens and I wonder
I wonder how I wonder why
Yesterday you told me 'bout the blue blue sky
And all that I can see is just a yellow lemon tree
I'm turnin' my head up and down
I'm turnin' turnin' turnin' turnin' turnin' around
And all that I can see is just another lemon tree
Sing:
Dap-dadada-dadpm-didap-da
Dadada-dadpm-didap-da
Dap-didili-da
I'm sittin' here I missed the power[3]
I'd like to go out takin' a shower[4]
But there's a heavy cloud[5] inside my head
I feel so tired put myself into bed
Well nothing ever happens and I wonder
Isolation[6] is not good for me
Isolation I don't want to sit on the lemon tree
I'm steppin' around in the desert of joy
Baby anyhow I'll get another toy
And everything will happen and you wonder
I wonder how I wonder why
Yesterday you told me 'bout the blue blue sky
And all that I can see is just another lemon tree
I'm turnin' my head up and down
I'm turnin' turnin' turnin' turnin' turnin' around
And all that I can see is just a yellow lemon tree
And I wonder wonder
I wonder how I wonder why
Yesterday you told me 'bout the blue blue sky
And all that I can see and all that I can see
And all that I can see is just a yellow lemon tree

Sold Out

Sung by Hawk Nelson | Written by Jonathan Steingard

Hoo hoo hoo hey
Hoo hoo hoo hey
I ain't like no one you met before
I'm running for the front
When they're all running for the door
And I won't sit down won't back out[1]
You can't ever shut me up[2]
'Cause I'm on a mission[3]
And I won't quit[4] now
In a world full of followers[5]
I'll be a leader
In a world full of doubters[6]
I'll be a believer[7]
I'm stepping out[8] without a hesitation[9]
Because the battle's already been won
I'm sold out
I'm no longer living
Just for myself
Running after[10] Jesus
With my whole heart
And now I'm ready to show
I am sold out
I'm sold out
With every single
Step that I take now
With every drop of blood[11]
Left in my veins[12]
I'm gonna be making it count
I am sold out

This ain't just some temporary phase
You can't face this kind of grace
And leave the way you came
This is permanent with intent
And there won't be no stopping it now
I'm on a mission and it's heaven sent
In a world full of followers
I'll be a leader
In a world full of doubters
I'll be a believer
I'm stepping out without a hesitation
'Cause my soul is like a stadium
I'm sold out
I'm no longer living
Just for myself
Running after Jesus
With my whole heart
And now I'm ready to show
I am sold out
I'm sold out
With every single
Step that I take now
With every drop of blood
Left in my veins
I'm gonna be making it count
I am sold out
No trials[13] coming against me
Could put a dent in my passion[14]
They're just an opportunity

Heartbeats

Sung by Amy Diamond/Robert Habolin | Written by Amy Diamond

I can't figure out[1]
Is it meant[2] to be this way
Easy words so hard to say
I can't live without
Knowing how you feel
Know if this is real
Tell me am I mistaken[3]
Cause I don't have another heart for breakin'
Please don't let me go
I just wanna stay
Can't you feel my heartbeats
Giving me away[4]
I just want to know
If you too feel afraid
I can feel your heartbeats
Giving you away
Giving us away
I can't understand
How it's making sense[5]
That we put up such defense[6]
When all you need to know
No matter what you do
I'm just as scared as you
Tell me am I mistaken
Cause I don't have another heart for breakin'
Please don't let me go
I just wanna stay
Can't you feel my heartbeats
Giving me away
I just want to know
If you too feel afraid
I can feel your heartbeats
Giving you away
Giving us away
Please don't let me go
I just wanna stay
Can't you feel my heartbeats
Giving me away

Look At Me Now

By Charlie Puth

I said this time next year
I'mma be the one who do
Everything and more you said
I couldn't do
This one is for you
This time next year
I'm gonna be stronger
A little bit taller
Top is my only view
I'm kickin' in the door now
Better get out my way[1]
Never really saw me comin'
You left with nothing to say
This for everybody
Who've always put me down
I hope you open up your eyes
And take a good look at me now
Take a good look at me now
Take a good look at me now
'Cause this time next year
I'mma walk down[2] these halls
And show my face for the world to see
Gonna see me
And I'mma call every girl that turned me down
And tell 'em now that
I'm just too busy
'Cause I don't have the time
And it's funny how my so-called friends
Who've always left me alone
Are suddenly running into me
And blowin' up[3] my phone
I'm kickin' in the door now
Better get out my way
Never really saw me comin'
You left with nothing to say
This for everybody
Who've always put me down
I hope you open up your eyes
And take a good look at me now
Take a good look at me now
Take a good look at me now
Oh baby
Take a good look at me now
Take a good look at me now
Oh look at me now
Woah this one is dedicated
To[4] all of the people
Who said I would be nothing
Just look at me now
Look at me now
Look at me now
I'm kickin' in the door now
Better get out my way
Never really saw me comin'
You left with nothing to say
This for everybody
Who've always put me down
I hope you open up your eyes
And take a good look at me now

Everytime

Sung by Britney Spears

Lyrics by Britney Spears/Annet Artani | Composed by Britney Spears/A.Stamatelatos

Notice me
Take my hand
Why are we
strangers when
Our love is strong
Why carry on without me
Everytime[1] I try to fly
I fall without my wings
I feel so small
I guess I need you baby
And everytime I see you in my dreams
I see your face
It's haunting[2] me
I guess I need you baby
I make believe[3] that you are here
It's the only way I see clear
What have I done
You seem to move on easy
Everytime I try to fly
I fall without my wings
I feel so small
I guess I need you baby
And everytime I see you in my dreams
I see your face
You're haunting me
I guess I need you baby
I may have made it rain
Please forgive[4] me
My weakness caused your pain
And this song is my sorry
At night I pray
That soon your face will fade away
Everytime I try to fly
I fall without my wings
I feel so small
I guess I need you baby
And everytime I see you in my dreams
I see your face
You're haunting me
I guess I need you baby

Moonlight Shadow[1]

Sung by Dana Winner | Written by Mike Oldfield

The last that ever she saw him
Carried away by a moonlight shadow
He passed on worried and warning
Carried away by a moonlight shadow
Lost in a riddle[2] that Saturday night
Far away on the other side
He was caught in[3] the middle of a desperate[4] fight
And she couldn't find how to push through[5]
The trees that whisper[6] in the evening
Carried away by a moonlight shadow
Sing the song of sorrow and grieving[7]
Carried away by a moonlight shadow
All she saw was a silhouette[8] of a gun
Far away on the other side
He was shot six times by a man on the run
And she couldn't find how to push through
I stay I pray I see you in heaven far away
I stay I pray I see you in heaven one day

Four a.m. in the morning
Carried away by a moonlight shadow
I watched your vision[9] forming
Carried away by a moonlight shadow
Stars move slowly in the silvery night
Far away on the other side
Will you come to talk to me this night
But she couldn't find how to push through
I stay I pray I see you in heaven far away
I stay I pray I see you in heaven one day
Caught in the middle of a hundred and five
The night was heavy[10] and the air was alive
But she couldn't find how to push through
Far away on the other side
The night was heavy and the air was alive
But she couldn't find how to push through
She couldn't find how to push through

Never Had A Dream Come True

Sung by S Club 7 | Written by Cathy Dennis/Simon Ellis

Everybody's got something
They had to leave behind
One regret[1] from yesterday
That just seems to grow with time
There's no use looking back or wondering or wondering[2]
How it could be now or might have been
All this I know but still I can't find ways to let you go[3]
I never had a dream come true
Til the day that I found you
Even though I pretend[4] that I've moved on
You'll always be my baby
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be with you yeah
Somewhere in my memory
I've lost all sense of time
And tomorrow can never be
Cause yesterday is all that fills my mind[5]
There's no use looking back or wondering or wondering
How it should be now or might have been
All this I know but still I can't find ways to let you go
I never had a dream come true
Til the day that I found you
Even though I pretend that I've moved on
You'll always be my baby
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be
You'll always be the dream that fills my head
Yes you will say you will you know you will oh baby
You'll always be the one I know I'll never forget
There's no use looking back or wondering or wondering
Because love is a strange and funny thing and funny thing
No matter how I try and try I just can't say good bye
No no no no
I never had a dream come true
Til the day that I found you
Even though I pretend that I've moved on
You'll always be my baby
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be
A part of me will always be with you
Oh

Someone You Loved

Sung by Lewis Capaldi | Written by Lewis Capaldi/Sam Romans/Ben Kohn/Pete Kelleher/Tom Barnes

I'm going under and I fear this time there's no one to save me
This all or nothing really got a way of driving me crazy[1]
I need somebody to heal[2]
Somebody to know
Somebody to have
Somebody to hold
It's easy to say
But it's never the same
I guess I kinda liked the way you numbed[3] all the pain
Now the day bleeds[4]
Into nightfall[5]
And you're not here
To get me through[6] it all
I let my guard[7] down
And then you pulled the rug[8]
I was getting kinda used to being someone you loved
I'm going under and I fear this time there's no one to turn to
This all or nothing way of loving got me sleeping without you
Now, I need somebody to know
Somebody to heal
Somebody to have
Just to know how it feels
It's easy to say but it's never the same
I guess I kinda liked the way you helped me escape
Now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved
And I tend to[9] close my eyes when it hurts sometimes
I fall into your arms
I'll be safe in your sound til I come back around
For now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved
But now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being[10] someone you loved
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved

Fight Song

Sung by Rachel Platten | Written by Dave Bassett/Rachel Platten

Like a small boat on the ocean
Sending big waves into motion[1]
Like how a single word
Can make a heart open
I might only have one match[2]
But I can make an explosion[3]
And all those things I didn't say
Wrecking[4] balls inside my brain
I will scream[5] them loud tonight
Can you hear my voice
This time this is my fight song
Take back my life song
Prove I'm alright song
My power's turned on
Starting right now I'll be strong
I'll play my fight song
And I don't really care
If nobody else believes
Cause I've still got
A lot of fight left in me
Losing friends and I'm chasing sleep
Everybody's worried about me
In too deep say I'm in too deep
And it's been two years
I miss my home
But There's a fire burning in my bones
Still believe yeah I still believe
And all those things I didn't say
Wrecking balls inside my brain
I will scream them loud tonight

Can you hear my voice
This time this is my fight song
Take back my life song
Prove I'm alright song
My power's turned on
Starting right now I'll be strong
I'll play my fight song
And I don't really care
If nobody else believes
Cause I've still got
A lot of fight left in me
A lot of fight left in me
Like a small boat on the ocean
Sending big waves into motion
Like how a single word

But I can make an explosion

Take back my life song

My power's turned on
Starting right now I'll be strong

That Girl

Sung by Olly Murs | Lyrics by Olly Murs/Claude Kelly/Steve Robson | Composed by Claude Kelly/Olly Murs/Steve Robson

There's a girl but I let her get away[1]
It's all my fault[2] cause pride got in the way
And I'd be lying if I said I was OK
About that girl the one I let get away
I keep saying no
This can't be the way it was supposed to be
I keep saying no
There's gotta be a way to get you close to me
Now I know you gotta
Speak up if you want somebody
Can't let them get away oh no
You don't wanna end up sorry
The way that I'm feeling every day
Don't you know
No no no no
There's no hope for the broken heart
Don't you know
No no no no
There's no hope for the broken
There's a girl but I let her get away
It's my fault cause I said I needed space
I've been torturing myself night and day
About that girl the one I let get away
I keep saying no
This can't be the way it was supposed to be
I keep saying no
There's gotta be a way to get you
Gotta be a way
To get you close to me
You gotta
Speak up if you want somebody
Can't let them get away oh no
You don't wanna end up sorry
The way that I'm feeling every day
Don't you know
No no no no
There's no hope for the broken heart
Don't you know
No no no no
There's no hope for the broken
No home for me
No home cause I'm broken
No room to breathe
And I got no one to blame
No home for me
No home cause I'm broken
About that girl
The one I let get away
So you better
Speak up if you want somebody
You can't let them get away no no
You don't wanna end up sorry
The way that I'm feeling every day
Don't you know
No no no no
There's no home for the broken heart
Don't you know
No no no no
There's no home for the broken
Oh
You don't wanna lose at love
It's only gonna hurt too much
I'm telling you
You don't wanna lose at love
It's only gonna hurt too much
I'm telling you
You don't wanna lose at love
Cause there's no home for the broken heart
That girl
The one I let get away

The Sound of Silence

Sung by Simon & Garfunkel | Written by Paul Simon

Hello darkness my old friend
I've come to talk with you again
Because a vision[1] softly creeping[2]
Left it's seeds[3] while I was sleeping
And the vision that was planted[4] in my brain
Still remains
Within the sound of silence
In restless[5] dreams I walked alone
Narrow[6] streets of cobblestone[7]
'Neath[8] the halo[9] of a streetlamp
I turned my collar[10] to the cold and damp
When my eyes were stabbed[11] by the flash of a
Neon light[12]
That split the night[13]
And touched the sound of silence
And in the naked light[14] I saw
Ten thousand people maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never shared
No one dared
Disturb the sound of silence
Fools said I you do not know
Silence like a cancer grows[15]
Hear my words that I might teach you
Take my arms that I might reach you
But my words like silent raindrops fell
And echoed[16] in the wells[17] of silence
And the people bowed and prayed
To the neon god they made
And the sign flashed out it's warning
In the words that it was forming
And the sign said the words of the prophets[18] are
Written on the subway walls
And tenement halls[19]
And whispered[20] in the sounds of silence

That's Why You Go Away

Sung by Michael Learns To Rock | Jascha Richter

Baby won't you tell me why there is sadness in your eyes
I don't wanna say goodbye to you
Love is one big illusion[1] I should try to forget
But there is something left in my head
You're the one who set it up
Now you're the one to make it stop
I'm the one who's feeling lost right now
Now you want me to forget every little thing you said
But there is something left in my head
I won't forget the way you're kissin'
The feelin's so strong we're lastin' for so long
But I'm not the man your heart is missin'
That's why you go away I know
You were never satisfied no matter how I tried
Now you wanna say goodbye to me
Love is one big illusion I should try to forget
But there is something left in my head
I won't forget the way you're kissin'
The feelin's so strong we're lastin' for so long
But I'm not the man your heart is missin'
That's why you go away I know
Yes I know
Sitting here all alone in the middle of nowhere
Don't know which way to go
There ain't so much to say now between us
There ain't so much for you
Ain't so much for you
There ain't so much for me
Ain't so much for you
Anymore
I won't forget the way you're kissin'
The feelin's so strong we're lastin' for so long
But I'm not the man your heart is missin'
That's why you go away I know
That's why you go away I know

The Show

Sung by Lenka | Written by Lenka Kripac/Jason Reeves

I'm just a little bit caught in the middle
Life is a maze[1] and love is a riddle[2]
I don't know where to go can't do it alone I've tried
And I don't know why
Slow it down make it stop
Or else my heart is going to pop
'Cause it's too much yeah it's a lot
To be something I'm not
I'm a fool out of love
'Cause I just can't get enough
I'm just a little bit caught in the middle
Life is a maze and love is a riddle
I don't know where to go can't do it alone I've tried
And I don't know why
I am just a little girl lost in the moment
I'm so scared but I don't show it
I can't figure it out
It's bringing me down[3] I know
I've got to let it go
And just enjoy the show
The sun is hot in the sky
Just like a giant spotlight
The people follow the sign
And synchronize[4] in time
It's a joke nobody knows
They've got a ticket to that show
Yeah
I'm just a little bit caught in the middle
Life is a maze and love is a riddle
I don't know where to go can't do it alone I've tried
And I don't know why
I am just a little girl lost in the moment
I'm so scared but I don't show it
I can't figure it out
It's bringing me down I know
I've got to let it go
And just enjoy the show
Just enjoy the show
I'm just a little bit caught in the middle
Life is a maze and love is a riddle
I don't know where to go can't do it alone I've tried
And I don't know why
I am just a little girl lost in the moment
I'm so scared but I don't show it
I can't figure it out
It's bringing me down I know
I've got to let it go
And just enjoy the show
Dum de dum dudum de dum
Just enjoy the show
Dum de dum dudum de dum
Just enjoy the show
I want my money back
I want my money back
I want my money back
Just enjoy the show
I want my money back
I want my money back
I want my money back
Just enjoy the show

Take Me Home, Country Roads

Sung by John Denver | Written by John Denver/Bill Danoff/Taffy Nivert Danoff/Mary Danoff

Almost heaven west virginia
Blue ridge mountains shenandoah river
Life is old there older than the trees
Younger than the mountains
Growin like a breeze[1]
Country roads take me home
To the place I belong
West virginia mountain momma
Take me home country roads
All my memories gather round her
Miner's[2] lady stranger to blue water
Dark and dusty[3] painted on the sky
Misty[4] taste of moonshine[5]
Tear drops in my eyes
Country roads take me home
To the place I belong
West virginia mountain mamma
Take me home country roads

I hear her voice in the morning hours she calls me
Radio reminds me of[6] my home far away
Driving down the road I get a feeling that I should
Have been home yesterday
Yesterday
Country roads take me home
To the place I belong

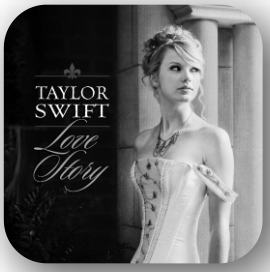
Love Story



Sung & Written by Taylor Swift

We were both young when I first saw you
I close my eyes and the flashback[1] starts
I'm standing there on a balcony[2] in summer air
See the lights see the party the ball gowns[3]
See you make your way through the crowd
And say hello
Little did I know
That you were Romeo you were throwing pebbles[4]
And my daddy said
Stay away from Juliet
And I was crying on the staircase
Begging you please don't go
And I said
Romeo take me somewhere we can be alone
I'll be waiting all there's left to do is run
You'll be the prince and I'll be the princess
It's a love story baby just say yes
So I sneak out[5] to the garden to see you
We keep quiet 'cause we're dead if they knew
So close your eyes escape this town for a little while
'Cause you were Romeo I was a scarlet letter[6]
And my daddy said
Stay away from Juliet
But you were everything to me
I was begging you please don't go
And I said Romeo take me somewhere we can be alone
I'll be waiting all there's left to do is run
You'll be the prince and I'll be the princess
It's a love story baby just say yes
Romeo save me they're trying to tell me how to feel
This love is difficult but it's real
Don't be afraid we'll make it out of this mess[7]
It's a love story baby just say yes
Oh oh
And I got tired of waiting
Wondering if you were ever coming around
My faith[8] in you was fading[9]
When I met you on the outskirts of town[10]
And I said
Romeo save me I've been feeling so alone
I keep waiting for you but you never come
Is this in my head I don't know what to think
He knelt[11] to the ground and pulled out a ring[12] and said
Marry me Juliet you'll never have to be alone
I love you and that's all I really know
I talked to your dad go pick out a white dress
It's a love story baby just say yes
Oh oh
Oh oh
'Cause we were both young when I first saw you

The End of the World

By Skeeter Davis/Earl Scruggs/The Stanley Brothers

Why does the sun go on shining
Why does the sea rush to shore[1]
Don't they know it's the end of the world
Cause you don't love me anymore
Why do the birds go on singing
Why do the stars glow[2] above
Don't they know it's the end of the world
It ended when I lost your love
I wake up in the morning and I wonder
Why everything's the same as it was
I can't understand
No I can't understand
How life goes on the way it does
Why does my heart go on beating
Why do these eyes of mine cry
Don't they know it's the end of the world
It ended when you said goodbye
Why does my heart go on beating
Why do these eyes of mine cry
Don't they know it's the end of the world
It ended when you said goodbye

Just One Last Dance

Sung by Sarah Connor | Rob Tyger/Kay Denar

Just one last dance oh baby just one last dance
We meet in the night in the Spanish cafe[1]
I look in your eyes just don't know what to say
It feels like I'm drowning[2] in salty water
A few hours left 'til the sun's gonna rise
Tomorrow will come an it's time to realize
Our love has finished forever
How I wish to come with you wish to come with you
How I wish we make it through
Just one last dance
Before we say goodbye
When we sway and turn round and round and round
It's like the first time
Just one more chance
Hold me tight and keep me warm
Cause the night is getting cold
And I don't know where I belong
Just one last dance
The wine and the lights and the Spanish guitar
I'll never forget how romantic[3] they are
But I know' tomorrow I'll lose the one I love
There's no way to come with you
It's the only thing to do
Just one last dance
Before we say goodbye
When we sway[4] and turn round and round and round
It's like the first time
Just one more chance
Hold me tight and keep me warm
Cause the night is getting cold
And I don't know where I belong
Just one last dance
Oh'Baby
Just one last dance
Before we say goodbye
When we sway and turn round and round and round
It's like the first time
Just one more chance
Hold me tight and keep me warm
Cause the night is getting cold
And I don't know where I belong
Just one last dance
Before we say goodbye
When we sway and turn round and round and round When we sway turn around
It's like the first time hold my tight oh my love
Just one more chance
Hold me tight[5] and keep me warm
Cause the night is getting cold the night is getting cold

Valder Fields[1]

Sung & Written by Tamas Wells

I was found on the ground by the fountain[2]
At valder fields and was almost dry
Lying in the sun after I had tried
Lying in the sun by the side
We had agreed that the council[3] would end
At three hours over time
Shoelaces were tied[4] at the traffic lights
I was running late could apply
For[5] another one I guess
If department stores are best
They said there would be delays[6]
Only temporary pay[7]
For another one I guess
If department stores are best
They said there would be delays
Only temporary pay
She was found on the ground in a gown[8]
Made at valder fields and was sound asleep[9]
Stairs[10] outside the door
To the man who cried
When he said that he loved his life
We had agreed that the council should take his keys to the bedroom door
In case he slept outside and was found in two days
In valder fields with a mountain view

Faded

Sung by Alan Walker | Written by Jesper Borgen/Anders Froen/Gunnar Greve/Alan Walker

You were the shadow[1] to my light
Did you feel us
Another start
You fade away[2]
Afraid our aim is out of sight[3]
Wanna see us
Alight
Where are you now
Where are you now
Where are you now
Was it all in my fantasy[4]
Where are you now
Were you only imaginary[5]
Where are you now
Atlantis
Under the sea
Under the sea
Where are you now
Another dream
The monster's running wild[6] inside of me
I'm faded[7]
I'm faded
So lost I'm faded
I'm faded
So lost I'm faded
These shallow waters never met
What I needed
I'm letting go
A deeper dive
Eternal[8] silence of the sea
I'm breathing
Alive
Where are you now
Where are you now
Under the bright
But faded lights
You set my heart on fire
Where are you now
Where are you now
Another dream
Another dream
Another dream
Another dream
Where are you now
Atlantis
Under the sea
Under the sea
Where are you now
Another dream
The monster's running wild inside of me
I'm faded

So lost I'm faded

So lost I'm faded

Lily

Sung by Alan Walker/K-391/Emelie Hollow | Lyrics by Emelie Hollow | Composed by Alan Walker/...

Lily was a little girl
Afraid of the big wide world
She grew up within her castle[1] walls
Now and then she tried to run
And then on the night with the setting sun[2]
She went in the woods[3] away
So afraid, all alone
They warned her, don't go there
There's creatures[4] who are hiding in the dark
Then something came creeping[5]
It told her, don't you worry just
Follow everywhere I go
Top over the mountains or valley[6] low
Give you everything you've been dreaming of
Just let me in, ooh
Everything you wanted in gold
I'll be the magic story you've been told
And you'll be safe under my control
Just let me in, ooh
Just let me in, ooh
She knew she was hypnotized[7]
And walking on the cold thin ice[8]
Then it broke, and she awoke[9] again
Then she ran faster than
Start screaming[10], is there someone out there?
Please help me, come get me
Behind her, she can hear it say
Follow everywhere I go
Top over the mountains or valley low
Give you everything you've been dreaming of
Just let me in, ooh
Everything you wanted in gold
I'll be the magic story you've been told
And you'll be safe under my control
Just let me in, ooh
Just let me in, ooh
Everything you wanted in gold
I'll be the magic story you've been told
And you'll be safe under my control
Just let me in, ooh
Follow everywhere I go

Monsters

Sung by Katie Sky | Written by Catherine Cheadle/The Tune Park

I see your monsters I see your pain
Tell me your problems I'll chase them away[1]
I'll be your lighthouse[2]
I'll make it okay
When I see your monsters
I'll stand there so brave
And chase them all away
In the dark we we
We stand apart[3] we we
Never see that the things we need are staring right[4] at[5] us
You just wanna hide hide
Hide never show your smile smile
Stand alone when you need someone it's the hardest thing of all
That you see are the bad bad
Bad memories take your time[6] and you'll find me
I see your monsters I see your pain
Tell me your problems I'll chase them away
I'll be your lighthouse I'll make it okay
When I see your monsters I'll stand there so brave
And chase them all away
I could see the sky sky
Sky beautiful tonight night
When you breathe why can't you see that the clouds are in your head
I would stay there there
There's no need to fear fear
And when you need to talk it out with someone you can trust
What you see are the bad bad
Bad memories take your time and you'll find me
I see your monsters I see your pain
Tell me your problems I'll chase them away
I'll be your lighthouse I'll make it okay
When I see your monsters I'll stand there so brave
And chase them all away
I'll chase them all away
You've got the chance to see the light
Even in the darkest night
And I'll be here like you were for me
So just let me in
Cause I see your monsters I see your pain
Tell me your problems I'll chase them away
I'll be your lighthouse I'll make it okay
When I see your monsters I'll stand there so brave
I see your monsters I see your pain

Hero

By Mariah Carey

There's a hero
If you look inside your heart
You don't have to be afraid
Of what you are
There's an answer
If you reach into your soul[1]
And the sorrow that you know
Will melt away[2]
And then a hero comes along[3]
With the strength[4] to carry on
And you cast your fears aside[5]
And you know you can survive
So when you feel like hope is gone
Look inside you and be strong
And you'll finally see the truth
That a hero lies in you
It's a long road
When you face the world alone
No one reaches out a hand[6]
For you to hold
You can find love
If you search within yourself
And the emptiness[7] you felt
Will disappear
And then a hero comes along
With the strength to carry on
And you cast your fears aside
And you know you can survive
So when you feel like hope is gone
Look inside you and be strong
And you'll finally see the truth
That a hero lies in you oh
Lord knows
Dreams are hard to follow
But don't let anyone
Tear them away[8]
Hold on
There will be tomorrow
In time
You'll find the way
And then a hero comes along
With the strength to carry on
And you cast your fears aside
And you know you can survive
So when you feel like hope is gone
Look inside you and be strong
And you'll finally see the truth
That a hero lies in you
That a hero lies in you
Oh that a hero lies in you

Right Here Waiting

Sung & Written by Richard Marx

Oceans apart[1]
Day after day[2]
And I slowly go insane[3]
I hear your voice on the line
But it doesn't stop the pain
If I see you next to never
How can we say forever
Wherever you go whatever you do
I will be right here waiting for you
Whatever it takes or how my heart breaks
I will be right[4] here waiting for you
I took for granted[5] all of the times
That I thought would last somehow
I hear the laughter I taste the tears
But I can't get near you now
Oh can't you see it baby
You've got me going crazy[6]
Wherever you go whatever you do
I will be right here waiting for you
Whatever it takes or how my heart breaks
I will be right here waiting for you
I wonder how we can survive this romance[7]
But in the end if I'm with you I'll take the chance
Oh you can't see it baby
You've got me going crazy

Cry On My Shoulder

Sung by Alexander Klaws/Juliette Schoppmann/Daniel Küblbck | Lyrics by Dieter Bohlen

If the hero never comes to you
If you need someone you're feeling blue[1]
If you wait for love and you're alone
If you call your friends nobody's home
You can run away but you can't hide
Through a storm and through a lonely night
Then I'll show you there's a destiny[2]
The best things in life they are free
But if you wanna cry
Cry on my shoulder
If you need someone
Who cares for you
If you're feeling sad
Your heart gets colder
Yes I show you what real love can do
If your sky is grey oh let me know
There's a place in heaven where we'll go
If heaven is a million years away[3]
Oh just call me and I'll make your day[4]
When the nights are gettin' cold and blue
When the days are gettin' hard for you
I will always stay here by your side
I promise you I'll never hide
But if you wanna cry
Cry on my shoulder
If you need someone
Who cares for you
If you're feeling sad
Your heart gets colder
Yes I show you what real love can do
But if you wanna cry
Cry on my shoulder
If you need someone
Who cares for you
If you're feeling sad
Your heart gets colder
Yes I show you what real love can do
What real love can do
What real love can do
What love can do
What love can do
Love can do

Lonely

Sung by Nana | Lyrics by NaNa | Composed by Tony Cottura/Bülent Aris/Nana Abrokwa

I am lonely lonely lonely
I am lonely lonely in my life
I am lonely lonely lonely
God help me help me to survive
Remember first time we met day one
Kids in the garden' playin' games heaven' fun
Excitin' and amazin' havin' a real friend of mine
Feel my heart and for real I am blind
Face to face and eye to eye
Usin' our hands to buy and supply[1]
Chillin' is cool from January to June
And we still stuck together like the glue[2]
And know the rules
Forever you and I and believe it was clear
If I ever should fall I could count on[3] you with no fear
Runnin' out of time I see who's fake[4]
Alone without protection from all them snakes
All for one one for all I was told
Black white yellow if your young or old
Nana's in the house to let you know
What I see is how I feel and d**n
I am lonely lonely lonely
I am lonely lonely in my life
I am lonely lonely lonely
God help me help me to survive
Everybody's trippin'[5] on me
Oh lord come help me please
I did some bad things in my life
Why can't you rescue me 'cause you've got all I need
I know I got to pay the price
That's why I am lonely lonely lonely
I am so lonely lonely
That's why I am lonely lonely lonely
Cheepin' thru the streets at night after a fuss and fight[6]
Tears in my eyes I'm a man lookin' for the light
Dark is the path he will rescue me
The lord is my shepherd[7] I'm cool despite emergency
Whom shall I fear except the god
Thank you for the blessin' and the skills on the mic
Five years we know there's no dignity[8]
Free at last see the light in me
What goes up must come down
I'll be around while you heading towards deathtown[9]
Always look forward hardly never look back
So many tears and the snakes on my jock
Now I'm riding in my big fat ride[10]
Your a*s is late so look for the line
Nana in the house to let you know
What I see is how I feel so leave me alone
I am lonely lonely lonely

Anyone of Us

Sung & Written by Gareth Gates

I've been letting you down down
Girl I know I've been such a fool
Giving in to temptation[1]
I should have played it cool
The situation got out of hand
I hope you understand
It can happen to anyone of us
Anyone you think of
Anyone can fall
Anyone can hurt someone they love
Hearts will break
Cause I made a stupid mistake
It can happen to anyone of us
Say you will forgive me
Anyone can fail
Say you will believe me
I can't escape
My heart will break
Cause I made a stupid mistake
A stupid mistake
She was kind of exciting
A little crazy
I should have known
She must have altered my senses[2]
As I offered to walk her home
The situation got out of hand
I hope you understand
It can happen to anyone of us
Anyone you think of
Anyone can fall
Anyone can hurt someone they love
Hearts will break
Cause I made a stupid mistake
It can happen to anyone of us
Say you will forgive me
Anyone can fail
Say you will believe me
I can't escape
My heart will break
Cause I made a stupid mistake
A stupid mistake
A stupid mistake
She means nothing to me
Nothing to me
I swear every word is true
I don't wanna lose you
The situation got out of hand
I hope you understand
It can happen to anyone of us
Anyone you think of
Anyone can fall
Anyone can hurt someone they love
Hearts will break
Cause I made a stupid mistake
It can happen to anyone of us
Say you will forgive me
Anyone can fail
Say you will believe me
I can't escape
My heart will break
Cause I made a stupid mistake
A stupid mistake
Anyone you think of
Anyone can fall
Anyone can hurt someone they love
Hearts will break
Cause I made a stupid mistake
A stupid mistake

Home

Sung by Michael Bublé | Written by Michael Bublé/Alan Chang/Amy Foster-Gillies

Another summer day
Is come and gone away
In Paris and Rome
But I wanna go home
Maybe surrounded[1] by
A million people I
Still feel all alone
I just wanna go home
Oh I miss you, you know
And I've been keeping
all the letters that I wrote to you
Each one a line or two
I'm fine baby, how are you
Well I would send them but
I know that it's just not enough
My words were cold and flat[2]
And you deserve[3] more than that
Another aerorplane
Another sunny place
I'm lucky I know
But I wanna go home
Mmmm, I've got to go home
Let me go home
I'm just too far from where you are
I wanna come home
And I feel just like
I'm living someone else's life
It's like I just stepped outside[4]
When everything was going right
And I know just why you could not
Come along with me
But this was not your dream
But you always believe in me
Another winter day has come
And gone away
And even Paris and Rome
And I wanna go home
Let me go home
And I'm surrounded by
A million people I
Still feel alone
Oh, let go home
Oh, I miss you, you know
Let me go home
I've had my run
Baby, I'm done
I gotta go home
Let me go home
It will all right
I'll be home tonight
I'm coming back home

You Are My Sunshine

Sung & Written by Jimmie Davis

The other night dear as I lay[1] sleeping
I dreamed I held you in my arms
But When I awoke[2] dear I was mistaken[3]
And I hung my head[4] and cried
You are my sunshine my only sunshine
You make me happy when skies are gray
You''ll never know dear how much I love you
Please don't take my sunshine away
I''ll always love you and made you happy
If you will only say the same
But if you leave me to love another
You''ll regret it all some day
You are my sunshine my only sunshine
You make me happy when skies are gray
You''ll never know dear how much I love you
Please don''t take my sunshine away
You told me once dear you really loved me
And no one else could come between
But now you''ve left me and love another
You have shattered all my dreams
You are my sunshine my only sunshine
You make me happy when skies are gray
You''ll never know dear how much I love you
Please don't take my sunshine away

Fight as ONE

Sung by Eason Chan/Jolin Tsai | Composed by Bingyang Song | Lyrics by Andrew Chu/Eric Kwok/Jerald Chan

It's a crowded street and there's no one there
Everyone is living in fear
With all the playgrounds I hear no laughters
Everyone has left in tears
Will there be hope when we wake up tomorrow?
If you believe that love is what we need
Will there be light when we're done with sorrows?
If you believe we need to fight together as one
It's a fight we cannot lose
It's a fight for you and me
A fight for everyone, no matter where you're from
It's alright we will not lose
It's alright for you and me
We're fighting for a better place to be
It's really not that bad if you think about it
For once the world has come together
Could've been much worse, you think about it
At least we're not fighting one another
There must be hope when we wake up tomorrow
When you believe that love is what we need
There must be light when we're done with sorrows
When you believe we need to fight together as one
It's a fight we cannot lose
It's a fight for you and me
A fight for everyone, no matter where you're from
It's alright we will not lose
It's alright for you and me
We're fighting for a better place to be
It's a fight we cannot lose
It's a fight for you and me
Everyone, no matter where you're from
It's alright we will not lose
It's alright for you and me
We're fighting for a better place to be
We'll fight together.....as ONE.

Scarborough Fair[1]

Sung by Sarah Brightman | Written by Traditional

Are you going to Scarborough Fair
Parsley sage rosemary and thyme
Remember me to one[2] who lives there
He once was a true love of mine
Tell him to make me a cambric shirt
Parsley sage rosemary and thyme
Without no seams nor needlework[3]
Then he'll be a true love of mine
Tell him to find me an acre of land[4]
Parsley sage rosemary and thyme
Between salt water and the sea strands[5]
Then he'll be a true love of mine
Tell him to reap[6] it with a sickle of leather
Parsley sage rosemary and thyme
And gather it all in a bunch of heather
Then he'll be a true love of[7] mine
Are you going to Scarborough Fair
Parsley sage rosemary and thyme
Remember me to one who lives there
He once was a true love of mine

Auld Lang Syne[1]

Sung by Colbie Caillat | Written by Robert Burns

Should auld acquaintance[2] be forgot
And never brought to mind[3]
Should auld acquaintance be forgot
And auld lang syne
For auld lang syne my dear
For auld lang syne
We'll take a cup o' kindness yet
Lang syne
Should auld acquaintance be forgot
And never brought to mind
Should auld acquaintance be forgot
And auld lang syne
For auld lang syne my dear
For auld lang syne
We'll take a cup o' kindness yet
For auld lang syne
Should auld acquaintance be forgot
And never brought to mind
Should auld acquaintance be forgot
And auld lang syne

Aloha[1] Oe[2]

Written by **Queen Lili'uokalani**[3]

Proudly[4] swept the rain clouds by the cliffs[5]
绵绵密密的乌云堆满山顶
As on it glided[6] through the trees
拢照着那山顶上的树林
Still following with glee faliko
激荡起我们的别意离情
Hiahi lehua of the valley
那山谷中吹来的凄凉野风
Aloha oe, aloha oe
珍重再见 珍重再见
E ke onaona noho i ka lipo
幽暗的森林中传来花儿的芬芳
One fond embrace[7], ahoi ae au
在离别前 给我一个深情的拥抱
Until we meet again
直到我们再相聚
Aloha oe, aloha oe
珍重再见 珍重再见
E ke onaona noho i ka lipo
幽暗的森林中传来花儿的芬芳
